NEW ISSUE

RATING: S&P "AAA"

(Ambac Assurance Insured)

In the opinion of Potter Anderson & Corroon LLP, Wilmington, Delaware, Bond Counsel, assuming continuing compliance by the County with its covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended, under existing statutes, regulations and court decisions, interest on the Bonds is excluded from gross income of the owners thereof and is not an item of preference for the purposes of the individual and corporate alternative minimum tax for Federal income tax purposes. Under existing statutes, interest on the Bonds is exempt from personal and corporate income tax imposed by The State of Delaware. See "TAX MATTERS" herein for a discussion of certain Federal taxes applicable to owners of the Bonds.

\$31,395,000 Sussex County, Delaware

General Obligation Bonds Series 2003

Dated: January 15, 2003 First Interest Payment Date: April 15, 2003

Due: October 15 as indicated below Form: Book-Entry Only

Interest Payable: April 15 and October 15 Denominations: Integral Multiples of \$5,000

Payable: The General Obligation Bonds, Series 2003 (the "Bonds") are issued by Sussex County, Delaware (the "County"). The Bonds will be issued only as one fully registered bond for each maturity, registered in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company ("DTC") pursuant to the "Book Entry-Only System" described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 and integral multiples thereof. Principal of and interest on the Bonds is payable by a transfer from the County to DTC for the accounts of the DTC Participants who will credit the accounts of the Beneficial Owners. For a more complete discussion, see "THE BONDS—Book Entry System" herein.

Redemption: The Bonds are subject to optional and mandatory sinking fund redemption prior to maturity as provided herein.

Maturity Schedule: A detailed maturity schedule is set forth on the inside front cover.

Purpose: The proceeds from the sale of the Bonds will be used, together with other County funds (i) to provide funds for the current refunding of certain outstanding maturities of Sussex County, Delaware General Obligation Refunding Bonds, Series 1993 (the "1993 Bonds"); (ii) to provide funds for the current refunding of certain of the Sussex County, Delaware General Obligation Bonds owned by the United States Department of Agriculture, Rural Utilities Service (the "RUS Bonds"); and (iii) to pay the costs of issuance of the Bonds.

Security: The Bonds constitute valid and binding general obligations of the County for the payment of which the County is obligated to levy ad valorem taxes on all taxable real property in the County, as more fully described herein, if funds are not otherwise available therefor.

Payment of the principal of and interest on the Bonds when due will be insured by a financial guaranty insurance policy to be issued by Ambac Assurance Corporation simultaneously with the delivery of the Bonds.

Ambac

This cover page contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The Bonds are offered for delivery when, as and if issued, subject to receipt of the approving opinion of Potter Anderson & Corroon LLP, Wilmington, Delaware, Bond Counsel. Certain other legal matters will be passed upon for the County by Griffin & Hackett, P. A., Georgetown, Delaware. The Bonds in definitive form will be available for delivery through the facilities of the DTC in New York, New York, on or about February 5, 2003.

Date of Official Statement: January 22, 2003.

SUSSEX COUNTY, DELAWARE OFFICIAL STATEMENT

\$31,395,000 Sussex County, Delaware General Obligation Bonds Series 2003

INTRODUCTION

This Official Statement, including the cover page and attached appendices, is furnished to provide information to prospective purchasers and others in connection with the offering by Sussex County (the "County"), a political subdivision of The State of Delaware (the "State"), of its \$31,395,000 General Obligation Bonds, Series 2003 (the "Bonds"). The County will act as the initial paying agent and registrar for the Bonds.

The Bonds are authorized by and issued in conformity with Chapter 70 of Title 9 of the Delaware Code, as amended (the "Act"), Ordinance No. 1568 which was enacted by the County Council on November 12, 2002 (the "Ordinance") and a Resolution of the County Administrator dated January 22, 2003 (the "Resolution") (collectively the "Authorizing Acts".)

Brief descriptions of the Bonds, the County, County Financial Management and Financial Information, Discussion of County Financial Operations, Revenue Sources of the County, Debt of the County and Economy of the County are included in this Official Statement. A proposed form of Opinion of Bond Counsel is included as Appendix B hereto. Copies of the Ordinance and Resolution may be obtained upon request from the office of the County Administrator, Sussex County, Delaware, County Administration Building, P.O. Box 589, Georgetown, Delaware 19947.

The County's audited financial statements for the fiscal year ended June 30, 2001, examined by Jefferson, Urian, Doane & Sterner, P.A., Georgetown, Delaware, independent certified public accountants, are included as Appendix A to this Official Statement.

APPLICATION OF PROCEEDS

Plan of Finance

The proceeds from the sale of the Bonds, together with other County funds, will be used (i) to currently refund certain outstanding maturities of Sussex County, Delaware General Obligation Refunding Bonds, Series 1993 (the "1993 Bonds"); (ii) to currently refund certain Sussex County, Delaware General Obligation Bonds owned by the United States Department of Agriculture, Rural Utilities Service (the "RUS Bond"); and (iii) to pay the costs of issuance of the Bonds.

[Remainder of Page Intentionally Blank]

Sources and Uses of Funds

The following table sets forth the estimated sources and uses of funds:

Sources of Funds

Par Amount of the Bonds	\$ 31,395,000.00
Plus Net Original Issue Premium	1,459,267.55
Accrued Interest	76,547.91
Total Sources	\$ 32,930,815.46
1 otal Sources	Ψ 52,750,015.10

Uses of Funds

Refunding of 1993 Bonds	\$ 31,130,833.00
Refunding of RUS Bond	1,260,491.18
Accrued Interest	76,547.91
Costs of Issuance	462,943.37

Total Uses \$ 32,930,815.46

THE BONDS

Form and Denomination

The Bonds will be dated January 15, 2003, will be issued in the aggregate principal amount of \$31,395,000 and will mature on October 15 in the years and amounts stated on the inside front cover of this Official Statement. The Bonds will bear interest at the rates set forth on the inside front cover page of this Official Statement from January 15, 2003. Interest on the Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months and will be payable on each April 15 and October 15, commencing April 15, 2003, until maturity (each, an "Interest Payment Date"). The interest will be paid by check or draft mailed to the registered owners whose names appear on the Bond Register as of the close of business on the first day of the month of each Interest Payment Date.

Book Entry-Only System

Portions of the following information concerning The Depository Trust Company ("DTC") and DTC's book-entry-only system have been obtained from DTC. The County and the Underwriter make no representation as to the accuracy of such information.

DTC, New York, New York will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the laws of the State of New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the

provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic, computerized bookentry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of the Depository Trust and Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC) as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More Information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry-only system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct or Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the security documents.

As long as the Bonds are registered in the name of Cede & Co. any redemption notice with respect to the Bonds will be sent by the County to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal, premium and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the County or the Trustee on each payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal, premium and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner must give notice of any permitted demand to have its Bonds purchased through its Participant, to the Remarketing Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Direct Participant's interest in the Bonds, on DTC's records, to the order of the Remarketing Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Remarketing Agent's DTC account.

IT IS THE DUTY OF EACH BENEFICIAL OWNER TO MAKE ARRANGEMENTS WITH THE APPLICABLE DIRECT PARTICIPANT OR INDIRECT PARTICIPANT TO RECEIVE FROM SUCH PARTICIPANT NOTICES OF REDEMPTION, CREDIT BALANCES WITH RESPECT TO PAYMENTS OF PRINCIPAL, PREMIUM (IF ANY) AND INTEREST, AND ALL OTHER PAYMENTS AND COMMUNICATIONS WHICH THE DIRECT PARTICIPANT RECEIVES FROM DTC. NEITHER THE COUNTY NOR THE TRUSTEE HAS ANY DIRECT OBLIGATION OR RESPONSIBILITY TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, certificates for the Bonds will be printed and delivered.

The information in this section concerning DTC and DTC's book entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof. So long as Cede & Co. is the registered owner of the Bonds as nominee of DTC, references herein to the Holders, owners or registered owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

Optional Redemption

The Bonds maturing on or after October 15, 2012 are subject to redemption prior to maturity, at the option of the County, in whole or in part, at any time or from time to time, beginning October 15, 2011 at a redemption price equal to 100% of the principal amount thereof plus accrued

interest to the redemption date.

Sinking Fund Redemption

The Bonds maturing on October 15, 2032 will be subject to redemption prior to maturity, at the principal amount thereof plus accrued interest to the redemption date, from mandatory sinking fund installments on October 15 in the following years and in the following amounts:

Years (October 15)	Sinking Fund Installment
2021	\$45,000
2022	\$50,000
2023	\$50,000
2024	\$55,000
2025	\$55,000
2026	\$60,000
2027	\$65,000
2028	\$65,000
2029	\$70,000
2030	\$75,000
2031	\$75,000
2032*	\$15,000

^{*}Maturity

Security for the Bonds

The Bonds are general obligations of the County. The full faith and credit of the County are unconditionally and irrevocably pledged to the payment of the principal of and interest on the Bonds.

The principal of and premium, if any, and interest on the Bonds are payable from general County revenues, although it is expected that the Bonds will be paid from revenues from sewer and water districts. In the event such revenues are insufficient in any fiscal year to provide for the prompt payment, when due, of the principal of and interest on the Bonds, such principal of and interest on the Bonds shall be payable from ad valorem taxes on all real property subject to taxation by the County. The County is authorized to levy on all real property taxable by the County such ad valorem taxes as may be necessary to pay the Bonds and the interest thereon without limitation as to rate or amount except that whenever a total reassessment of taxable properties within the boundaries of the County becomes effective, the County property tax rate for the next fiscal year shall not yield property tax revenues greater than 15% in excess of the total of the property taxes imposed for the fiscal year immediately preceding the fiscal year in which such reassessment shall have become effective as provided in 9 Del. C. § 8002(c).

The full faith and credit and taxing power of the County are unconditionally and irrevocably pledged to the prompt payment of the principal of and interest on the Bonds as and when the same become due and payable and the County has agreed to levy and collect the taxes hereinabove described as and when such taxes may become necessary in order to provide sufficient funds to meet the debt service requirements of the Bonds. The County will compute the rate of ad valorem taxes so that, in each fiscal year, the proceeds of such taxes will provide sufficient funds to meet the maturing

principal of and interest on the Bonds, except to the extent other moneys are available for such purposes. It has been the County's practice to establish assessment rates and other water and sewer fees within water and sewer districts at sufficient levels so that it is unnecessary for the County to use general revenues or to levy ad valorem taxes to pay debt service on bonds that have been issued for such water and sewer districts. Therefore, it is expected that the debt service on the Bonds will be paid from water and sewer assessments and water and sewer charges, and it will be unnecessary to use general revenues or to levy ad valorem taxes to pay such debt service.

Transfer

If DTC is no longer the Securities Depository for the Bonds, the Bonds may be transferred or exchanged at the principal corporate trust office of the bond registrar appointed by the County at such time. Upon any transfer or exchange of a Bond, the County will issue and deliver a new registered Bond of any of the authorized denominations in aggregate principal amount equal to the principal amount of the Bond transferred or exchanged and maturing on the same date and bearing interest at the same rate. In each case, the Bond registrar may require payment by any registered owner requesting the transfer or exchange of any tax, fee or other governmental charge, shipping charges and insurance, that may be required to be paid with respect to such transfer or exchange, but otherwise no charge will be made to the registered owner for the transfer or exchange.

FINANCIAL GUARANTY INSURANCE

INVESTORS SHOULD BE AWARE THAT THE TEXT CONTAINED IN THIS SECTION ENTITLED "FINANCIAL GUARANTY INSURANCE" WAS FURNISHED BY AMBAC ASSURANCE CORPORATION. THE COUNTY CANNOT MAKE AND DOES NOT MAKE ANY REPRESENTATION REGARDING THIS SECTION OF THE OFFICIAL STATEMENT. THESE PROVISIONS SHOULD BE READ IN CONJUNCTION WITH THIS OFFICIAL STATEMENT AS A WHOLE.

The following information has been furnished by Ambac Assurance Corporation (the "Bond Insurer") for use in this Official Statement. Reference is made to Appendix D for a specimen of the Financial Guaranty Insurance Policy.

Payment Pursuant to Financial Guaranty Insurance Policy

Ambac Assurance Corporation (the "Bond Insurer") has made a commitment to issue a financial guaranty insurance policy (the "Financial Guaranty Insurance Policy") relating to the Bonds effective as of the date of issuance of the Bonds. A specimen copy of such Financial Guaranty Insurance Policy is attached hereto as Appendix D. Under the terms of the Financial Guaranty Insurance Policy, the Bond Insurer will pay to the Bank of New York in New York, New York or any successor thereto (the "Insurance Trustee") that portion of the principal of and interest on the Bonds which shall become Due for Payment but shall be unpaid by reason of Nonpayment (as such terms are defined in the Financial Guaranty Insurance Policy) by the County. The Bond Insurer will make such payments to the Insurance Trustee on the later of the date on which such principal and interest becomes Due for Payment or within one business day following the date on which the Bond Insurer shall have received notice of Nonpayment from the Paying Agent. The insurance will extend for the term of the Bonds and, once issued, cannot be canceled by the Bond Insurer.

The Financial Guaranty Insurance Policy will insure payment only on stated maturity dates and on mandatory sinking fund installment dates, in the case of principal, and on stated dates for payment, in the case of interest. If the Bonds become subject to mandatory redemption and insufficient funds are available for redemption of all outstanding Bonds, the Bond Insurer will remain obligated to

pay principal of and interest on the outstanding Bonds on the originally scheduled interest and principal payment dates including mandatory sinking fund redemption dates. In the event of any acceleration of the principal of the Bonds, the insured payments will be made at such times and in such amounts as would have been made had there not been an acceleration.

In the event the Paying Agent has notice that any payment of principal of or interest on a Bond which has become Due for Payment and which is made to a bondholder by or on behalf of the County has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court of competent jurisdiction, such registered owner will be entitled to payment from the Bond Insurer to the extent of such recovery if sufficient funds are not otherwise available.

The Financial Guaranty Insurance Policy does not insure any risk other than Nonpayment, as defined in the Policy. Specifically, the Financial Guaranty Insurance Policy does not cover:

- 1. payment on acceleration, as a result of a call for redemption (other than mandatory sinking fund redemption) or as a result of any other advancement of maturity.
- 2. payment of any redemption, prepayment or acceleration premium.
- 3. nonpayment of principal or interest caused by the insolvency or negligence of any Trustee, Paying Agent or Bond Registrar, if any.

If it becomes necessary to call upon the Financial Guaranty Insurance Policy, payment of principal requires surrender of the Bonds to the Insurance Trustee together with an appropriate instrument of assignment so as to permit ownership of such Bonds to be registered in the name of the Bond Insurer to the extent of the payment under the Financial Guaranty Insurance Policy. Payment of interest pursuant to the Financial Guaranty Insurance Policy requires proof of the bondholder entitlement to interest payments and an appropriate assignment of the bondholder's right to payment to the Bond Insurer.

Upon payment of the insurance benefits, the Bond Insurer will become the owner of the Bonds, appurtenant coupon, if any, or right to payment of principal or interest on such Bonds and will be fully subrogated to the surrendering bondholder's rights to payment.

The Bond Insurer

The Bond Insurer, Ambac Assurance Corporation, is a Wisconsin-domiciled stock insurance corporation regulated by the Office of the Commissioner of Insurance of the State of Wisconsin and licensed to do business in 50 states, the District of Columbia, the Territory of Guam and the Commonwealth of Puerto Rico, with admitted assets of approximately \$5,802,000,000 (unaudited) and statutory capital of approximately \$3,564,000,000 (unaudited) as of September 30, 2002. Statutory capital consists of the Bond Insurer's policyholders' surplus and statutory contingency reserve. Standard & Poor's Credit Markets Services, a Division of The McGraw-Hill Companies, Moody's Investors Service and Fitch, Inc. have each assigned a triple-A financial strength rating to the Bond Insurer.

The Bond Insurer has obtained a ruling from the Internal Revenue Service to the effect that the insuring of an obligation by the Bond Insurer will not affect the treatment for federal income tax purposes of interest on such obligation and that insurance proceeds representing maturing interest paid by the Bond Insurer under policy provisions substantially identical to those contained in its financial guaranty insurance policy shall be treated for federal income tax purposes in the same manner as if such payments were made by the issuer of the Bonds.

The Bond Insurer makes no representation regarding the Bonds or the advisability of investing in the Bonds and makes no representation regarding, nor has it participated in the preparation of, the Official Statement other than the information supplied by Bond Insurer and presented under the heading "FINANCIAL GUARANTY INSURANCE" and in Appendix D.

Available Information

The parent company of the Bond Insurer, Ambac Financial Group, Inc. (the "Company"), is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements and other information with the Securities and Exchange Commission (the "SEC"). These reports, proxy statements and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for further information on the public reference room. The SEC maintains an internet site at http://www.sec.gov that contains reports, proxy statements and other information regarding companies that file electronically with the SEC, including the Company. These reports, proxy statements and other information can also be read at the offices of the New York Stock Exchange, Inc., 20 Broad Street, New York, New York 10005.

Copies of the Bond Insurer's financial statements prepared in accordance with statutory accounting standards are available from the Bond Insurer. The address of the Bond Insurer's administrative offices and its telephone number are One State Street Plaza, 19th Floor, New York, New York, 10004 and (212) 668-0340.

Incorporation of Certain Documents by Reference

The following documents filed by the Company with the SEC (File No. 1-10777) are incorporated by reference in this Official Statement:

- 1. The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 and filed on March 26, 2002;
- 2. The Company's Current Report on Form 8-K dated April 17, 2002 and filed on April 18, 2002;
- 3. The Company's Quarterly Report on Form 10-Q for the fiscal quarterly period ended March 31, 2002 and filed on May 13, 2002;
- 4. The Company's Current Report on Form 8-K dated July 17, 2002 and filed on July 19, 2002;
- 5. The Company's Current Report on Form 8-K dated August 14, 2002 and filed on August 14, 2002;
- 6. The Company's Quarterly Report on Form 10-Q for the fiscal quarterly period ended June 30, 2002 and filed on August 14, 2002;
- 7. The Company's Current Report on Form 8-K dated October 16, 2002 and filed on October 17, 2002;
- 8. The Company's Quarterly Report on Form 10-Q for the fiscal quarterly period ended September 30, 2002 and filed on November 14, 2002;
- 9. The Company's Current Report on Form 8-K dated November 18, 2002 and filed on November 20, 2002; and

10. The Company's Current Report on Form 8-K dated January 23, 2003 and filed on January 24, 2003.

All documents subsequently filed by the Company pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in the same manner as described above in "Available Information."

SUSSEX COUNTY, DELAWARE

General

The County is bordered on the east by the Atlantic Ocean, on the north by Kent County, Delaware and on the south and west by the portion of the State of Maryland east of the Chesapeake Bay. The City of Georgetown, the county seat, situated in the center of the County, is approximately 120 miles south of the Philadelphia, Pennsylvania; 195 miles south of New York City, New York; 95 miles southeast of Baltimore, Maryland; and 110 miles east of Washington, D.C.

Most of the County's land area is flat terrain consisting of unconsolidated sediments of the Coastal Plain (the balance of the County and the State). Elevations in the County average from 40 to 50 feet above sea level. The County is the largest county in Delaware, comprising a total land area of approximately 946 square miles or approximately 46% of the State's total area.

The climate is moderate year round with temperatures averaging 74.1 degrees Fahrenheit in summer and 36.2 degrees Fahrenheit in winter. Average rainfall is 44.1 inches per year. According to the University of Delaware-Georgetown, during the past 35 years, the growing season has averaged approximately 175 days.

Government

The State of Delaware is composed of three counties—Sussex, New Castle and Kent—of which the southernmost is Sussex. All of the towns and cities located in the County are independent, incorporated municipalities, each with powers of taxation, as granted by the General Assembly. Georgetown is the County seat.

The County Government was established on July 23, 1970, replacing the Levy Court Commission with a Council-Administrator form of government. The powers and duties of the government are set forth in Chapter 70 of Title 9 of the Delaware Code, as amended. The Government is composed of a legislative body, the County Council, and an administrative body, including several operating departments and offices which are administered by officials elected at-large.

The County Council, which has legislative powers, consists of five members representing each of the County's respective districts. The members are elected to four-year staggered terms. The County Council annually elects, from among its members, a President and a Vice President of the County Council. Listed below are the names of the members of the County Council and their respective terms:

<u>Name</u>	<u>District</u>	First Term <u>Began</u>	Current Term Expires
Lynn J. Rogers, President	No. 3	1997	2005
Dale R. Dukes, Vice President	No. 1	1989	2005
Finley B. Jones, Jr.	No. 2	1997	2005
George B. Cole	No. 4	1987	2007
Vance C. Phillips	No. 5	1999	2007

The County Administrator, Robert L. Stickels, has worked for the County Council since January 1988. The Finance Director, David B. Baker, has worked for the County Council since April 1978.

The County Administrator is appointed by the County Council and is responsible for the entire range of executive, administrative and fiscal duties performed by all County departments, agencies and offices. The County Administrator, with the advice and consent of the County Council, appoints the directors of the departments of the County, with the exception of the Finance Director and the County Engineer, who are also appointed by the County Council.

County Departments and Services

The County provides a variety of services to its constituents that include, among others, sewage collection and treatment as well as paramedic services, planning and zoning and the operation of libraries. The County also owns the Sussex County Airport, the operation of which is leased to an independent contractor.

County services are provided through the following operating departments: the Department of Facilities Management, which provides maintenance and custodial services to buildings under County administration; the Department of Community Development and Housing, which administers the County's housing management and neighborhood conservation programs; the Department of Data Processing, which handles computerization of records and tax assessment bills; the Department of Economic Development and Industrial Parks, which promotes commercial and industrial business in the County, particularly in connection with the industrial park; the Department of Emergency Planning, which directs County Civil Defense programs and which coordinates any reserve or emergency operations; the Department of Engineering, which administers and operates the County's sanitary sewer and drainage systems; the Department of Finance, which directs and coordinates the financial activities of the County's operational departments and offices; the Department of Libraries, which administers and operates a unified library system; the Department of Personnel, which administers employee benefit and development programs; and the Paramedic Department, which provides emergency paramedic response services.

Employee Relations

The County has approximately 458 employees, of which, approximately 95.6% are full-time employees and 4.4% are part-time employees. County employees are not represented by any union.

Sussex County Employee Pension Plan

The County provides a defined benefit pension plan (the "Pension Plan") for all full-time employees of the County. Accrued benefits in the Pension Plan vest after eight years of service. The Pension Plan is administered by a Pension Fund Board consisting of the Personnel Director, the Finance Director and one member of the County Council. Wilmington Trust Company serves as trustee of the Pension Plan trust. The County's actual contribution to the Pension Plan is determined through the budgetary process and by reference to actuarial requirements. The Pension Plan has been funded with contributions by the County totaling \$14,863,039 in fiscal year 1976 and fiscal years 1982 through 2002, inclusive. Contributions by the County for fiscal year 2003 will be 9.0% of covered payroll as recommended by the County actuary. The pension contribution rate in fiscal year 2003 equals the actuarial recommendation, assuming a maximum 2% annual cost of living increase for pensioners. Pensioner cost of living increases are an annual budgetary decision, but are now limited to a maximum of 2%.

As of January 1, 2002, the actuarial accrued liability of Pension Plan benefits, assuming no cost of living adjustments for benefits, was \$18,264,729 and the fair market value of Pension Plan fund assets was \$18,851,125. On this basis, the Pension Plan has a funded ratio of 103.2% of its pension benefit obligation. It has been the County's practice to implement annual cost of living increases in benefits, although this is an annual budgetary decision that is not required by ordinance.

The County's latest pension actuarial report as of January 1, 2002 reflects the actuarial accrued liability exceeding assets by \$355,043 assuming that the County continues its current practice of providing cost of living increases to pensioners not exceeding 2% per year. During the last ten fiscal years, the County has increased its annual pension contribution for the purpose of achieving full actuarial funding assuming the continuation of annual pensioner cost of living increases. The fiscal year 2003 pension contribution totals \$1,283,288, which is 29% greater than the actuary's annual required minimum contribution calculation of \$996,026. The County continues to contribute to the pension fund to ensure full funding.

The fiscal year 2003 budget includes \$500,000 to establish a new fund for retiree medical benefits. The initial \$500,000 contribution was made in December of 2002.

COUNTY FINANCIAL MANAGEMENT AND FINANCIAL INFORMATION

Department of Finance

The Department of Finance is responsible for all fiscal affairs, financial management, revenue collection and related systems of the County. The Finance Director reports directly to the County Administrator and is responsible for overall County financial management and policy, including accounting, financial reporting, debt policy and financial support systems.

The activities of the Department are organized under four Divisions: the Assessment Division, the Treasury Division, the Accounting Division and the Utility Billing Division. The Utility Billing Division is responsible for billing and collecting sewer and water service charges. The Assessment Division is charged with the continuous updating and maintenance of the County's assessment roles. The Treasury Division bills and collects County taxes and miscellaneous revenues and disburses some moneys. The Accounting Division is responsible for accounting, payroll, accounts payable, financial reporting and budgeting and disburses most moneys.

Fiscal Year

The County operates on a fiscal year from July 1 to June 30.

Financial Reporting

The County maintains a financial reporting system which provides timely and accurate reports of revenues, expenditures and financial status. Financial reports for all levels of management are provided on a monthly basis. The County's audited financial statements, which are generally prepared by February 28 following the fiscal year-end, are audited annually by an independent certified public accountant. The report of such accountant, Jefferson, Urian, Doane & Sterner, P.A., Georgetown, Delaware, together with the County's audited financial statement for the fiscal year ended June 30, 2001, is included in Appendix A to this Official Statement.

Budget Process

The County's financial plans are embodied in the annual operating budget. This budget reflects the projection of revenues and expenditures, the present level of governmental services and the distribution of costs to the various segments of the community through the collection of taxes and fees.

Under the Council-Administrator form of government, the County Council has governing authority for establishing programs and fiscal policies, approving the Annual Operating Budget and setting the tax rates and fees for services. The County Administrator is responsible for proposing programs and recommending funding levels to the County Council, and for implementing service programs in accordance with established goals and objectives.

Operating Budget

Prior to March 1 of each year, the County Administrator in conjunction with the Finance Director distributes budget request forms to each department and agency. Each department and agency budget must identify the specific level of its service provision and describe how priorities have been established and incorporated into its budget.

The requested budgets of each department and agency are prepared by April 1 of each year. The County Administrator, with assistance from the Finance Director and the Director of Accounting, then develops an annual operating budget, using the department budgets to evaluate the priority and costs of various services. The budget is further refined through reviews of each department, using estimates of revenue sources available to the County. The recommended annual operating budget is then submitted to the County Council, which submission includes operating budget ordinances setting forth the proposed departmental appropriations and various tax rates to balance the budget.

The County Council reviews the budget both internally and through public hearings. Before the beginning of a fiscal year, a budget for that fiscal year is adopted through legislation in the County Council. The operating budget ordinance and related revenue ordinances are officially adopted when a motion to do so is approved by the County Council.

Appropriations are legislated at the department level by object of expenditure. Accordingly, no unapproved expenditures over appropriations can be incurred. The County Administrator is authorized to make certain budgetary transfers. All other changes must be approved by the County Council. The aggregate amount of the budget cannot be changed without a public hearing.

Budgetary Control

The County exercises budgetary control through use of its automated accounting and financial information system with reports going to both the County Administrator and Department

heads. Further budgetary control is exercised through the use of the allotment and encumbrance systems, which alert management analysts to any irregularities in spending patterns. Such budgetary activity is reviewed and evaluated by the County Administrator with the respective department or agency. The County Administrator is given authority to make limited appropriation adjustments. All other adjustments must be adopted through legislation by the County Council.

The annual audit of the County's finances includes a comparison of budgeted amounts to actual expenditures.

Basis of Accounting

Basis of accounting refers to the timing of the recognition of revenues and expenditures or expenses in the accounts and in the financial statements.

All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Taxes, grant revenues and interest are considered susceptible to accrual.

The County's tax assessment year for purposes of assessing ad valorem taxes runs from May 1 to April 30. Tax bills are mailed in July. Although the taxes receivable are a measurable asset of the County at June 30, they are not available for receipt on such date and are therefore recorded as deferred revenues on the County's balance sheet.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred; however, principal on general long-term debt is an exception to the general rule and is recognized when due.

The County's proprietary funds are accounted for using the accrual basis of accounting. The revenues of such funds are recognized when earned and the expenses of such funds are recognized when incurred.

Cash Management System

The cash management program is administered by the County's Finance Director. The objective of this program is to maximize available cash and the earnings generated from investment.

Major portions of the County's annual revenues are received in late September (property taxes and sewer debt assessments), and on a quarterly basis for sewer user fees. Receipts from these and other sources are deposited in the various County Cash Accounts for investment purposes. Moneys are invested, based on solicited bids from local financial institutions, in certificates of deposit of various maturities. Investment planning is facilitated by the preparation and maintenance of projected monthly cash flow statements for the fiscal year. These projections are augmented by the logging of anticipated major expenditure requirements maintained on a weekly basis.

DISCUSSION OF COUNTY FINANCIAL OPERATIONS

General Fund, Fiscal Years 1998 through 2002

The General Fund was financed in fiscal year 2002 with Revenues and Transfers totaling \$40,377,013, constituting an increase of 21% over fiscal year 2001. This increase of \$7,004,231 is primarily attributed to an increase in realty transfer tax, Recorder of Deeds, building inspection and building permit revenues. This is a result of the strong real estate market during fiscal year 2002.

The estimated General Fund results for fiscal year 2002 show an Excess of Revenues and Other Financing Sources over Expenditures and Residual Equity Transfers of \$6,254,989, which represents 15.5% of actual Revenues and Other Financing Sources for the year. The Undesignated Fund Balance for the General Fund as of June 30, 2002 was \$7,732,890, which represents 22.2% of the fiscal year 2003 Budget for Revenues.

The General Fund Budget for fiscal year 2003 includes funding for a contribution to the pension plan of 9.0% of payroll in accordance with the County actuary's recommendation. The fiscal year 2003 budget also includes a \$500,000 contribution to begin the process of funding post retirement benefit costs. These costs have historically been paid for on a pay-as-you-go basis.

During fiscal year 2001, the County defeased all tax supported bonded debt. All remaining outstanding bonded debt, revenue and general obligation, is a liability of or attributable to the County's sewer and water districts.

On the following three Tables are displayed comparisons of actual operating results for fiscal years 1998 through 2002 and the Budget for fiscal year 2003. Table 2 includes Revenues and Expenditures for the Debt Service Fund, which was used to pay for Bond debt service for general County projects, as well as for Revenues and Expenditures for the General Fund. Table 1 includes only General Fund Revenue and Expenditure information. Table 3 shows annual changes in General Fund Balances, excluding debt service. Fiscal year 2002 numbers are unaudited estimates.

Water District and Water Facilities Operation

The County is the owner and operator of the water transmission and distribution facilities in one water district, the Dewey Beach Water District. The County purchases water for the Dewey Beach Water District from the City of Rehoboth. The County obtains water revenues through both service charges and water assessments. Water service charges are billed to users of the water system in the Dewey Beach Water District and are used, among other things, to purchase the District's water from the City of Rehoboth. Water assessments are assessed on property owners within the water district and are used, among other things, for debt service on County general obligation bonds used for water transmission and distribution facilities. Water service charges are billed quarterly and the water assessment is assessed annually. It is the County's intention to continue its current practice of establishing water service charges and water assessments at levels necessary to maintain the Water Fund as a self-supporting enterprise fund on a cash basis.

Sewer and Water Districts Budget

A summary of the fiscal year 2003 cash basis operating budget for Sewer and Water Districts is presented in Table 4. The budget excludes capital depreciation but includes debt service costs. Table 5 shows the history of sewer and water rates for the last five fiscal years and the current fiscal year.

Source: Sussex County Department of Finance, Utility Billing Division. Notes: Service charges are based upon Equivalent Dwelling Units.

Additional Notes:

Assessment Charge Rates are times the assessable front footage of each parcel.

Minimum assessable footage: 40 feet.

⁽¹⁾ Sussex Shores, North Bethany, Ocean View, North Millville, Cedar Neck and Ocean Way Estates are not individual sewer districts, being instead extensions of the Bethany Beach Sewer District. Annual service charges are the same for Bethany Beach Sewer District, Sussex Shore, North Bethany, Ocean View, North Millville, Cedar Neck and Ocean Way Estate customers. Sussex Shore, North Bethany, Ocean View, North Millville, Cedar Neck and Ocean Way Estate customers, however, are charged an additional Per Foot Assessment.

⁽²⁾ West Rehoboth Sewer is an extension of the Dewey Beach Sewer District, however, it has its own billing structure.

Proprietary Funds

The Water and Sewer Districts are enterprise funds ("proprietary funds") financed and operated in a manner similar to a private business enterprise, for which the intent is that the costs (expenses, including depreciation) of providing services on a continuing basis be financed or recovered primarily through user charges.

Table 6 on the following pages sets forth the combined statement of operations and retained earnings for the fiscal years 1998 through 2002. Fiscal year 2002 numbers are unaudited estimates.

REVENUE SOURCES OF THE COUNTY FROM OTHER THAN PROPRIETARY FUNDS

The County relies on a mix of taxes, assessments, fees, and other general revenues to finance governmental operations. Each of the major revenue sources is briefly described below.

Local Tax Revenues; Exemptions

A primary tax revenue source of the County is the real property tax. Only real property is subject to taxation by the County under current Delaware law. The taxable assessment base of the County does not include exempt properties (for example, properties owned by governments, churches, colleges or schools, or certain senior citizens). The County tax rate for fiscal year 2003 is \$0.445 per \$100 taxable assessment. Fiscal year 2003 marks the thirteenth consecutive year that the tax rate has remained at \$0.445. The County is required by state law to serve as the billing and collection agency for the local school districts.

County taxes are due on or before September 30 of each year. The Finance Director is required by law to impose a $1\frac{1}{2}\%$ penalty for each month or portion thereof for which taxes remain unpaid after September 30.

There is no limitation on real property taxes that may be levied to meet the budget requirement of the County. With the exception of the fiscal year immediately following the fiscal year in which a total reassessment of County taxable properties shall have become effective, these taxes may be levied for all purposes other than those that are not to be paid out of the general County revenues. If a total reassessment occurs, total tax revenues for the fiscal year immediately following the fiscal year in which such reassessment shall have become effective may not exceed 15% of the total taxes imposed for the fiscal year immediately preceding the fiscal year in winch such reassessment shall have become effective. A total reassessment of County taxable properties last became effective for the fiscal year ended June 30, 1978.

In addition to the general purpose real property tax, the County levies separate assessments for the following purposes:

Special Front Footage Assessment

Property owners owning a majority of the front footage abutting a proposed road may petition the County Council to have such road constructed. If such a petition is submitted, in conjunction with the State Highway Department and the County's Department of Engineering, the County Council secures surveys, plans, cost estimates and other related information. Based on a review of this data, the County Administrator is instructed to conduct a referendum and certify the results to the County Council. Based on the results of that referendum, the County Council funds the project and, with the State Highway Department, reviews construction bids and awards the contract. A special front footage assessment is levied and collected annually from the parcels enjoying the benefit of the improvement. Such receipts are applied to the related debt service or other funding source.

Street Lighting

If the County Council approves of a petition for street lighting submitted by a majority of the property owners within a given community, the County directs the power company to provide the requested street lighting. The parcels within the resulting light districts are assessed an annual tax, based on the type of lighting supplied, to cover the cost of such lighting.

Capitation Tax

The County levies a \$3.00 annual tax on all residents within its borders who are 21 years of age or older.

Realty Transfer Tax

Effective April 1, 1991, the County imposed a 1% realty transfer tax upon the transfer of real property within unincorporated areas in the County. In July 1998 the County's realty transfer tax was increased to 1½% while there was a corresponding decrease in the state transfer tax from 2% to 1½%. Funds from this tax are required to be expended solely for capital and operating costs of public safety, paramedic, economic development, public works services, capital projects and improvements, infrastructure projects and improvements and debt reduction. Revenues from the realty transfer tax have increased substantially during the last few years, corresponding to growth in the County.

Real Property Assessment Program

The last County-wide real property reassessment was made during 1977 by an outside appraisal company. Property values were geared to reflect sale histories that were available during 1974. The revaluation was based on 50% of 1974 market value. All new properties, including residential, commercial and industrial, are appraised at 1974 market values.

As shown on Table 8, the current taxable assessed property values (50% of 1974 market values), are estimated to be only 12.0% of current market values.

Real Property Tax Assessments, Rates and Levies

The real property tax rate is established annually by the County Council and collected by the Department of Finance.

Table 7 presents the assessed value and the estimated market values of taxable real property for fiscal years 1993-2003.

Table 8 shows the 2002-2003 real property tax rates for the respective school districts and the unincorporated areas and municipalities therein.

Table 9 shows tax levies and collection for fiscal year 1998 through November 30, 2002.

Tax Exemption and Abatement Policy

The County grants various property tax exemptions and abatements based on certain criteria.

General exemptions (100% of assessment) are granted, based on application, to parcels that are owned by certain non-profit organizations (for example, religious, charitable and educational organizations) and which parcels are not held for investment. Such general exemptions are automatically granted to properties held by government agencies.

Limited exemptions are granted, based on application, to senior citizens (persons age 65 or older) and disabled citizens. The applicant must meet an income limitation (\$6,000 single or \$7,500 joint, excluding social security and railroad pension benefits) and be a permanent resident of Sussex County for at least five years. The exemption applies only to the applicant's primary residence and is limited to a maximum \$12,500 assessment.

Assessment exemptions to be reflected in the annual fiscal year 2003 tax assessment approximate \$205,098,213. Those exemptions are comprised of the following:

General Exemptions	\$182,243,421
Senior Citizens	18,698,384
Disabled Citizens	4,156,408

School district property tax credits for senior citizens (person aged 65 or older), who are full-time County residents, are funded by the State of Delaware and administered by the County. The credit is limited to 50% of the school district property tax bill for a maximum of \$500. Credits totaling \$2,372,427 were granted this year for this senior citizen program. The State of Delaware funded this credit to each respective County school district.

The County has implemented an income-based County property tax subsidy program in addition to the programs described above. For full-time County residents with annual incomes of less than \$15,800, or \$20,000 if married, and with liquid assets less than \$15,000, the County will pay their County portion of property tax for up to the first \$16,000 of taxable assessments.

Delinquent Collections

To promote the timely receipt of revenues, the County enforces a system of gradual penalties for delinquent payments. Commencing after their respective due dates, delinquent property taxes accrue a penalty of 1½% per month. A tax lien is filed on properties when taxes have not been paid for two years. Follow-up billings and letters are also sent to delinquent accounts. The County Constable's Office also pursues delinquent accounts. The County, as a final resort, sells properties via tax sales to recover property taxes.

DEBT OF THE COUNTY

Debt Policy

In accordance with Delaware law, the County's general obligation bonded indebtedness may not exceed 12% of the assessed valuation of the taxable real estate. Long-term debt may not be issued for the payment of any operating expense, of any judgment resulting from the failure of the County to pay any item of operating expense or for any equipment or any public improvements with a normal life of less than three years.

The County issues long-term general obligation bonds to finance major capital improvements. The County's general obligation debt has been issued primarily in support of water and sewer district projects. This debt is payable in the first instance from assessments, service charges, and other fees levied upon and collected from the benefited district. The County has made voluntary contributions in support of such debt from the County's General Fund, beginning in fiscal year 1999 when the County's portion of the realty transfer tax increased.

MAJOR CAPITAL PROJECTS CURRENTLY PLANNED

The County is in the design phase for major improvements at the County Airport in Georgetown, Delaware. These improvements include reopening a runway, rehabilitating a taxiway, extending a runway, airport perimeter fencing, and a perimeter service road. These projects will be funded with 90 percent FAA grant money, 5 percent State of Delaware grant money, and a 5 percent County contribution. Other improvements at the airport include new parking lots, airport lighting replacement, instrument approach system, t-hangar expansion, and fire protection improvements. The total estimated cost of these projects is \$7,700,000.

The County is also planning other capital projects to be funded with a combination of federal and state grants, as well as County funding. These projects include an expansion to the Milton Library for approximately \$1,700,000, a new records storage facility for approximately \$750,000, a new Emergency Operations Center building for \$4,500,000, several parking lot expansions and renovations, and some flood mitigation work. It is not anticipated that bond funding will be needed to fund any of these projects or the airport projects.

The County is also planning major sewer improvements within the next few years. The Ellendale sewer project will provide sewer service for the Town of Ellendale and some surrounding areas. The estimated cost of this project is \$11,000,000. Funding for this project will include Federal Rural Development grants, a Federal CDBG grant, State grants, a Rural Development loan, a State Revolving Fund (SRF) loan, and a contribution from the General Fund. Construction has begun on this project and it is scheduled for completion during May of 2003.

Construction has just begun on the Cedar Neck Sewer Project. This sewer extension project will also be served by the County's South Coastal Regional Wastewater Facility Treatment Plant. The estimated cost is approximately \$14,000,000, with \$6,910,700 funded by a Rural Development loan, and the remainder to be funded by a State SRF loan and grant, connection fees charged to property owners, as well as County contributions. The Rural Development loan will be a 40-year loan at 4-1/2 percent. The Cedar Neck Project is scheduled for completion during fiscal year 2004.

Construction has also begun on the new Oak Orchard Sanitary Sewer District. Total costs are estimated to be \$11,779,000, with funding through a Federal Rural Development loan and grant,

a State SRF loan, a State grant, a Federal HUD grant, and a County grant. Project completion is scheduled for fiscal year 2005.

There are other sewer projects with which the County is currently proceeding. The Pinetown Extension of the West Rehoboth Sewer Project, costing approximately \$669,000, should be completed during calendar year 2003. Grant funding for this project has been approved by the State of Delaware and Federal Rural Development Agency. Referendums recently passed for the Miller Creek and South Ocean View Sewer Projects which total approximately \$16,000,000 in project costs. It is anticipated that funding for these projects will be obtained from the State of Delaware SRF loan program and the USDA Rural Development loan and grant programs. The Bay View Estates and Sea Country Estates Sewer Districts are in the design phase, with costs estimated to be approximately \$3.3 million. Design is also underway for expansion and improvements at the County's South Coastal Regional Wastewater Facility, with estimated costs of \$20,500,000. These costs will be expended over the next 4 to 5 years. This expansion will accommodate growth in the area. Funding for this expansion is anticipated from the State SRF loan program and County revenues received from connection fees charged to new users.

ECONOMY OF THE COUNTY

Demographic and Economic Data

Resident population in the County increased from 73,492 in 1960 to 80,356 in 1970, 98,004 in 1980, 113,229 in 1990 and 156,638 in 2000 according to the United States Bureau of the Census. The County contains approximately 20% of the State's population.

The County is experiencing steady, diversified growth in its manufacturing industries, which numbered approximately 155 establishments with total payrolls of about \$341 million and more than 11,910 employees in 2002. Significant industries located in the County include E.I. duPont de Nemours & Company, Inc. in Seaford, Vlasic Foods, Inc. in Millsboro and Decrane Aircraft, Inc. in Georgetown.

Other significant businesses in the County include Perdue Farms, Inc. and Mountaire, Inc. The County has also developed a 145-acre Industrial Park at the Sussex County Airport with State and federal aid. The Industrial Park is designed to promote new industrial enterprise.

Tourism is a major facet of the Sussex County economy with its Atlantic beaches situated at South Bethany, Cape Henlopen State Park, Lewes, Rehoboth, Bethany and Fenwick. Since the State owns much of the beach property along the Atlantic, much of the shore is protected as a natural resource area.

Education

There are eight school districts with 17 public elementary, nine middle, ten junior and senior high schools and three special schools. In addition, there is one charter school in the County. Post-secondary institutions include the Delaware Technical and Community College (South Campus), Wilmington College, Delaware State University and the Colleges of Marine Studies and Agricultural Sciences of the University of Delaware. The University of Delaware has instituted a parallel program with Delaware Technical and Community College whereby students may complete their four-year

degrees in Georgetown without transferring to the University's main campus in Newark. Several of the post-secondary educational institutions have special programs designed to meet the growing technical needs of the community and attract new industries to the area. The 650-acre main campus of the University of Delaware, located in New Castle County, is only about two hours away.

Transportation

The County is served by a well-developed highway and road system, which includes U.S. routes 1, 113 and 13 with several highways leading to Interstate 95 and other interstate connecting points with Norfolk, Washington, Baltimore, Wilmington and Philadelphia, all of which being within easy driving distance. Rail freight services are provided to the County's agriculture, industry and commerce by several branch routes of Norfolk Southern and Shortline operators with interstate rail connections available to the deep-water Port of Wilmington further north. Freight and cargo service to any part of the United States is provided by approximately 10 ICC common carriers which operate in Sussex County. The Sussex County Airport provides air transportation services for the County. Greyhound and Trailways Bus Lines have daily schedules to most East Coast cities.

Medical Facilities

There are three hospitals located within the County. Nanticoke Health Services is located on the western side of the County in Seaford. Beebe Medical Center is located in Lewes, on the eastern side of the County, and Bayhealth Medical Center, which is located in Milford, on the northern side of the County. Other major hospitals utilized by County citizens are located in Wilmington, Delaware and Salisbury, Maryland.

Selected Demographic and Economic Factors

The following table provides the most recent population growth estimates for the County, the State and other counties. The County's growth rate between 1990 and 2000 of 38.3% exceeds that of the State and other governmental entities during the same period. Growth is projected by the Delaware Population Consortium to continue through 2030 and at a rate exceeding that of the rest of the State.

Notes:

LEGAL PROCEEDINGS

Certain legal matters incident to the authorization and issuance of the Bonds are subject to the approval of Potter Anderson & Corroon LLP, Wilmington, Delaware, Bond Counsel, whose approving legal opinion will be available at the time of the delivery of the Bonds. A proposed form of opinion of Bond Counsel is attached hereto as Appendix B. Certain legal matters will be passed upon for the County by Griffin & Hackett, P. A., Georgetown, Delaware.

TAX MATTERS

In the opinion of Potter Anderson & Corroon LLP, Bond Counsel, under existing statutes, regulations and court decisions, assuming continuing compliance by the County with its covenants relating to certain requirements contained in the Code, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. Moreover, such interest is not an "item of preference" for purposes of the individual and corporate alternative minimum taxes. However, under the provisions of the Code, interest on the Bonds is includable in the relevant income computation for calculation of a corporation's liability with respect to the corporate alternative minimum tax. In addition, certain recipients of Social Security and Railroad Retirement benefits are required to take into account interest on the Bonds in determining the taxability of such benefits.

Under the provisions of the Code, there are certain restrictions that must be met subsequent to the delivery of the Bonds, including restrictions that must be complied with throughout the term of the Bonds. Among other things, the Code requires that issuers, under certain circumstances, must

¹Delaware Department of Labor.

²These are the unemployment rates for November 2002

restrict the yield on investments acquired with the proceeds of their obligations and pay to the Federal Government an amount equal to the net arbitrage earnings from the investment of the proceeds thereof. If the County, in those circumstances, were to fail to restrict the yield on such investments, or to fail to make the required payments to the Federal Government within the periods and in the manner specified by the Code, or to comply with certain other provisions of the Code, interest on the Bonds would be includable in the gross income of the holders thereof for Federal income tax purposes from their date of issuance unless, in the case of a failure to make the required payments to the Federal Government on a timely basis, such noncompliance was not due to willful disregard and relief was sought from, and granted by the Internal Revenue Service. The County has covenanted to take all actions required to be taken in order to comply with such requirements. Additionally, the County has covenanted to take all actions on its part necessary under the Code to cause interest on the Bonds received by the holders thereof not to be included in gross income for Federal income tax purposes, including the actions set forth above to the extent the same are applicable and to refrain from taking any action which would cause such interest to be includable in gross income for Federal income tax purposes.

Bond Counsel is also of the opinion that so long as the interest on the Bonds is excluded from gross income for Federal income tax purposes, interest on the Bonds will also be excluded from taxable income for the purposes of the personal and corporate income taxes imposed by the State of Delaware.

The Bonds maturing in the years 2015-2020 and in 2032 (the "Discount Bonds") are issued with original issue discount. In the opinion of Bond Counsel, the difference between the initial public offering price of the Discount Bonds as set forth on the inside cover page and the stated redemption price at maturity of each such Bond constitutes "original issue discount", all or a portion of which will, on the disposition or payment of such Discount Bonds, be treated as tax-exempt interest for federal income tax purposes. Original Issue Discount will be apportioned to owners of such Discount Bonds under a "constant interest method", which utilizes a periodic compounding of accrued interest. If an owner of a Discount Bond who purchases it in the original offering at the initial public offering price owns that Bond to maturity, that bondholder will not realize taxable gain for federal income tax purposes upon payment of that Discount Bond at maturity. An owner of a Discount Bond who purchases it in the original offering at the initial public offering price and who later disposes of the Discount Bond prior to maturity will be deemed to have accrued tax-exempt income in a manner described above; amounts realized in excess of the sum of the original offering price of such Discount Bond and the amount of accrued original issue discount will be taxable gain.

The Bonds maturing in the years 2003-2014 (the "Premium Bonds") are issued with an original issue premium. An amount equal to the excess of the initial public offering prices of the Premium Bonds over their stated redemption prices at maturity constitutes original issue premium on the Premium Bonds. Purchasers of the Premium Bonds must amortize any premium over the Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity. As premium is amortized, the purchaser's basis in the Premium Bonds is reduced by a corresponding amount, resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bonds prior to maturity. Even though the purchaser's basis is reduced, no federal income tax deduction is allowed.

Purchasers of the Bonds, whether at the time of initial issuance or subsequent thereto, should consult their own tax advisors with respect to the determination and treatment of discount and premium for federal income tax purposes and with respect to state and local tax consequences of owning the Bonds.

There may be other tax consequences to investors in the Bonds. The opinion of Bond Counsel, however, will express no opinion regarding these other Federal or state tax consequences.

Investors may wish to seek advice from their tax advisor with respect to other possible tax consequences of owning a Bond.

LITIGATION AND REGULATORY PROCEEDINGS

In 1989, Sussex County was notified by the U.S. Environmental Protection Agency (EPA) that it had been identified as a "potentially responsible party" under the Comprehensive Environmental Response Compensation and Liability Act for a former landfill site in Laurel, Delaware. In April 1991, Sussex County executed an administrative order to consent to perform certain investigations to evaluate site conditions and determine any necessary remedial actions. Based upon the positive results of such investigations, the EPA issued a December 1994 Record of Decision which stated that "no action" was the selected remedy at the site. In a coordinated effort, the State of Delaware issued a Notice of Conciliation (NOC)) that outlines the terms and conditions for a long-term monitoring of the site to insure that the site continues to pose no unacceptable hazards. To date, Sussex County maintains full compliance with the NOC. As of September 30, 2001, the EPA has removed the site from its national priority list.

Sussex County also owned and operated five other landfill sites with conditions comparable to the Laurel site. These sites are regulated by Delaware's Hazardous Substance Cleanup Act (HSCA), and Sussex County has entered into a Memorandum of Understanding to enter a voluntary program to assess the current conditions. The site assessment is currently being made.

Although the County is a defendant in a number of other legal proceedings, such pending litigation is not expected to have a material effect on the financial position of the County. At or prior to delivery of the Bonds, the County shall furnish a certificate of the County Administrator or other appropriate official, dated the date of delivery of the Bonds, to the effect that there is no litigation pending or, to their knowledge, threatened, to restrain or enjoin the issuance or delivery of the Bonds or in any way contesting or affecting the validity of the Bonds or contesting the power of the County or any authority for the issuance of the Bonds, which has not been disclosed in this Official Statement. In addition, such certificate shall state that there is no litigation pending or, to their knowledge, threatened, which may result in any material adverse effect on the ability of the County to meet its obligations under the Bonds, which has not been disclosed in this Official Statement.

OTHER CLOSING CERTIFICATES

At the closing on the sale of the Bonds, the original purchaser of the Bonds shall also receive certificates signed by the County Administrator (a) certifying that the Preliminary Official Statement and this Official Statement, as of their respective dates, do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein and herein, and in light of the circumstances under which they were made, not misleading; and (b) certifying that, as of the date of delivery of the Bonds there has been no material adverse change in the condition, financial or otherwise, of the County from that set forth in the Preliminary Official Statement. In addition, the original purchaser of the Bonds shall also receive in form satisfactory to Potter Anderson & Corroon LLP (i) certificates evidencing the proper execution and delivery of the Bonds and receipt of payment therefor, and a certificate dated as of the date of delivery of the Bonds, and signed by the County Administrator stating that no litigation is then pending, or to the knowledge of such officers, threatened to restrain or enjoin the issuance or delivery of the Bonds or the levy or collection of taxes to pay the Bonds, and that

neither the corporate existence or boundaries of the County, nor the title of any of the said officers to their respective offices, is being contested, and (ii) a certificate of nonarbitrage executed by the County Administrator.

INDEPENDENT AUDITORS

The audited financial statements of the County for the fiscal year ended June 30, 2001, included as Appendix A to this Official Statement, have been examined by Jefferson, Urian, Doane & Sterner, P.A., Georgetown, Delaware, independent certified public accountants, whose report thereon also appears in Appendix A hereto, and have been so included in reliance upon the report of Jefferson, Urian, Doane & Sterner, P.A., given upon their authority as experts in accounting and auditing.

RATING

Standard & Poor's ("S&P") has assigned a rating of "AAA" to the Bonds, with the understanding that, upon delivery of the Bonds, a municipal bond insurance policy will be issued by Ambac Assurance Corporation. An explanation of the significance of such rating may be obtained only from such rating agency. Such rating reflects only the view of such organization. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in the judgment of the agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

FINANCIAL ADVISOR

In connection with the authorization and issuance of the Bonds, the County has retained Fairmount Capital Advisors, Inc., Philadelphia, Pennsylvania, as its financial advisor ("Financial Advisor"). The Financial Advisor is not obligated to undertake, and has not undertaken, either to make an independent verification of or to assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement and any Appendix hereto. The Financial Advisor is an independent financial advisory firm and is not engaged in the business of underwriting, trading, or distributing municipal securities or other public securities.

CONTINUING DISCLOSURE

Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, (the "Rule") prohibits an underwriter from purchasing or selling municipal securities, such as the Bonds, unless it has determined that the issuer of such securities and/or other persons deemed to be material "obligated persons" have committed to provide (i) on an annual basis, certain financial information, including financial information and operating data ("Annual Reports"), to each Nationally Recognized Municipal Securities Information Repository (a "NRMSIR") and the relevant state information repository (if any) and (ii) notice of various events described in the Rule, if material ("Event Notices"), to each NRMSIR or the Municipal Securities Rulemaking Board (the "MSRB") and to any such state information repository.

The County will agree with the purchasers of the Bonds, by executing a Continuing Disclosure Agreement prior to the issuance of the Bonds, to provide Annual Reports with respect to itself to each NRMSIR and to any Delaware information repository that is formed. The County has determined that there currently is not any other obligated person for the purposes of the Rule. The County will provide Material Event Notices to the MSRB and to any Delaware information repository. A form of the Continuing Disclosure Agreement appears as Appendix C to this Official Statement. The County has complied in all material respects with any previous undertakings with regard to the Rule to provide annual reports or notices of material events.

MISCELLANEOUS

The references, excerpts and summaries of all documents referred to herein do not purport to be complete statements of the provisions of such documents, and reference is made to all such documents for full and complete statements of all matters of fact relating to the Bonds, the security for the payment of the Bonds and the rights of the holders thereof.

The information contained in this Official Statement has been compiled from official and other sources deemed to be reliable and, while not guaranteed as to completeness or accuracy, is believed to be correct as of this date.

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the County since the date hereof.

The execution of this Official Statement and its delivery have been duly authorized by the County Council of the County.

INDEPENDENT AUDITOR'S REPORT

To the President and Members of the County Council County of Sussex, Delaware Georgetown, Delaware

We have audited the accompanying general purpose financial statements of the County of Sussex, Delaware, as of and for the year ended June 30, 2001, as listed in the foregoing Index. These general purpose financial statements are the responsibility of the County's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the County of Sussex, Delaware as of June 30, 2001, and the results of its operations and the cash flows of its proprietary fund types for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note X to the financial statements, the County changed its method of accounting for certain nonexchange transactions as required by the provisions of Government Accounting Standards Board Statement No. 33.

In accordance with Government Auditing Standards, we have also issued our report dated December 19, 2001 on our consideration of County of Sussex, Delaware's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The required supplementary information listed in the Index is not a required part of the general purpose financial statements but is supplementary information required by the Government Accounting Standards Board.

We have applied certain limited procedures, which consisted principally of inquiries of management regarding methods of measurement and presentations of the supplemental information. However, we did not audit the information and express no opinion on it. The combining financial statements and the additional information listed in the Index are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the County of Sussex, Delaware. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented, in all material respects, in relation to the general purpose financial statements taken as a whole.

Jefferson, Uran, Doone & Sterner P. A.

Georgetown, Delaware December 19, 2001

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

County of Sussex, Delaware (the County) was founded in 1683. Local government is provided by a five member elected County Council. The County principally provides general administrative services; public safety services; paramedics; Constitutional Row Offices; zoning; libraries; housing and economic development programs; and sewer and water service and maintenance. The County's financial statements are prepared in accordance with generally accepted accounting principles (GAAP) as prescribed by the Governmental Accounting Standards Board (GASB).

1. Reporting Entity

The accompanying financial statements include various agencies, department organizations, and offices that are legally controlled by or dependent on the County Council (the primary government) and the County's component units. The criteria for including organizations as component units within the County's reporting entity, as set forth in GASB Statement No. 14, include whether:

- the organization is legally separate (can sue and be sued in their own name)
- the County holds the corporate powers of the organization
- the County appoints a voting majority of the organization's board
- the County is able to impose its will on the organization
- the organization has the potential to impose a financial benefit/burden on the County
- there is fiscal dependency by the organization on the County

Based upon the application of these criteria, the Constitutional Row Offices are component units of the County and have been blended for presentation purposes. The blending of the Constitutional Row Offices is a result of their governing body being substantially the same as the primary government's governing body, and the Row Offices provide services almost exclusively for the benefit of the County.

The following do not meet the established criteria for inclusion in the reporting entity and, therefore, are excluded from this report: the towns, school districts, and independent libraries within Sussex County.

2. Fund Accounting

The accounts of the County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into five generic fund types and three broad fund categories as follows:

Governmental Funds

General Fund - The general fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund - The debt service fund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

2. Fund Accounting - Continued

Capital Projects Fund - The capital projects fund is maintained to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by the Water and Sewer Districts). Capital projects expenditures in 2001 were for various airport projects.

Proprietary Fund

Enterprise Fund - The Water and Sewer Districts are enterprise funds financed and operated in a manner similar to a private business enterprise, for which the intent is that the costs (expenses, including depreciation) of providing services on a continuing basis be financed or recovered primarily through user charges. For presentation purposes, the West Rehoboth Sewer Fund has been presented as a separate fund. However, West Rehoboth is actually an extension of the Dewey Sewer District.

Fiduciary Funds

Pension Trust Fund - The pension trust fund is used to account for the accumulation of resources for pension benefit payments, and is accounted for essentially the same as the proprietary funds.

3. Fixed Assets and Long-Term Debt

General Fixed Assets - Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in governmental funds. Public domain ("infrastructure") general fixed assets, consisting of roads, bridges, curbs and gutters, streets and sidewalks, drainage systems and lighting systems, are not capitalized along with other general fixed assets. No depreciation has been provided on general fixed assets. All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are valued at their estimated fair value on the date of donation.

Enterprise Fund Fixed Assets - All proprietary funds are accounted for on a cost of services or "capital maintenance" measurement focus. This means that all assets and all liabilities (whether current or non-current) associated with its activity are included on their balance sheets. Their reported fund equity (net total assets) is segregated into contributed capital and retained earnings (deficit) components. Donated fixed assets are valued at their estimated fair value on the date of donation.

Depreciation of all exhaustible fixed assets used by enterprise funds is charged in amounts sufficient to amortize the cost over their estimated useful lives using the straight-line method as follows:

Plant	5 - 50 years
Equipment	5 - 50 years
Distribution system	5 - 50 years
Sewer	5 - 50 years

3. Fixed Assets and Long-Term Debt - Continued

Long-Term Debt - Long-term debt associated with construction of Water and Sewer Districts' assets is expected to be paid from the resources of the districts. Therefore, consistent with the intent that these funds be self-sustaining, this construction related long-term debt is recorded on the balance sheet of the benefited district and accounted for entirely within that fund.

All other long-term debt of the County is accounted for in the general long-term debt account group.

4. Bond Discounts and Issuance Costs

In governmental funds, bond discounts and issuance costs are recognized in the current period. Bond discounts and issuance costs for proprietary funds are deferred and amortized over the term of the bonds using the straight-line method.

5. Measurement Focus/Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The County considers property taxes as available if they are collected within 60 days after fiscal year-end. Expenditures are recorded when the related fund liability is incurred. Principal and interest on general long-term debt are recorded as fund liabilities when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Those revenues susceptible to accrual are property taxes, special assessments, interest revenue and charges for services, intergovernmental, and miscellaneous.

All proprietary funds and the pension trust fund are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation of these funds are included on the balance sheet. Fund equity (i.e., net total assets) is segregated into contributed capital and retained earnings components. Proprietary fund-type operating statements present increases (revenues) and decreases (expenses) in net total assets.

The accrual basis of accounting is utilized by proprietary and pension trust fund types. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. Under this basis of accounting, the County applies (a) all GASB pronouncements and (b) FASB Statements and Interpretation, APB Opinions, and Accounts Research Bulletins issued on or before November 30, 1989, except those that conflict with a GASB pronouncement.

5. Measurement Focus/Basis of Accounting - Continued

The County's tax year runs from May 1 to April 30. Property taxes are recorded and attached as an enforceable lien on property on May 1, the date levied. Taxes are payable under the following terms: July 1 through September 30, face amount; after September 30, a 1.5% penalty per month is charged on the unpaid balance due. Although the taxes receivable are a measurable asset of the County at June 30, they are not available for receipt; these taxes are recorded as deferred revenues on the County's balance sheet.

6. Budgets and Budgetary Accounting

Prior to March 1, the County Administrator, in conjunction with the Director of Finance and the Director of Accounting, distributes budget request forms to each department and agency. The budget must identify the specific level of service provision and describe how priorities have been established and incorporated into the budget.

These budgets are prepared by April 1. The County Administrator, with the assistance of the Director of Finance and Director of Accounting, then develop an annual operating budget, using these department budgets to evaluate the priority and costs of various services. The recommended annual operating budget is then presented to Council by the County Administrator. This submission includes proposed operating budget ordinances setting forth the proposed departmental appropriations and various tax rates to balance the budget.

The Council reviews the budget both internally and through public hearings. Subsequently, the budget is adopted through legislation in Council prior to July 1. The operating budget ordinance and related revenue ordinances are officially adopted when approved by the County Council.

Appropriations are legislated at the departmental level by object of expenditure. Although the County Code requires budget amendments to be adopted using the same procedures as its original adoption, the Council has authorized the Administrator to make budgetary transfers. The aggregate amount of the budget cannot be changed without hearings. All unused and unencumbered annual appropriations lapse at fiscal year-end.

The budget for the County's general fund has been prepared on a basis consistent with generally accepted accounting principles (GAAP), except for its use of encumbrances for budgetary purposes and its non-recognition of donated assets, changes in compensated absences, and the total contract amount of assets purchased under financing plans as expenditures and revenues in the year of acquisition.

Encumbrance accounting is the practice whereby purchase orders and other commitments for the expenditures of monies are recorded in order to reserve that portion of the applicable appropriation. Encumbrances outstanding at fiscal year-end are reported as reservations of fund balance as they do not constitute expenditures or liabilities under generally accepted accounting principles.

Prior year expenditures are those expenses that were budgeted in the last fiscal year, June 30, 2000, but paid within this fiscal year, June 30, 2001.

6. Budgets and Budgetary Accounting - Continued

The following is a reconciliation of actual data for the general fund presented on a GAAP basis to the budgetary basis:

Total Expenditures:

GAAP basis \$ 25,416,680
Effect of encumbrances and prior year expenditures (78,427)
Compensated absences 71,530

Budgetary basis \$ 25,409,783

7. Cash and Cash Equivalents

For the purpose of the statement of cash flows, the water and sewer funds consider all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

Restricted cash mainly consists of amounts held by the County for the employees' health plan, proceeds from grant programs, property sales, Constitutional Row Offices, 911 emergency reporting, mobile home placement fee, and various sewer system reserves and construction funds.

8. <u>Investments</u>

Investments for all funds, with one exception, are stated at fair value. Fair values are determined by quoted market prices, where available. The enterprise fund money market investments that have a remaining maturity at time of purchase of one year or less are reported at amortized cost.

Restricted investments represent amounts held by the County for construction of West Rehoboth sewer system.

9. Accounts Receivable

Accounts receivable are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

10. Inventory

Inventories are valued at the lower of cost using first-in, first-out (FIFO) or market and represent supplies owned by the County. The costs of these inventories are recorded as expenditures when consumed.

11. Deposits and Deferred Revenue

Deposits and deferred income represent monies held by the County either to be recognized as revenue in future periods or to be remitted to others.

12. Accumulated Unpaid Vacation and Sick Pay

Employees are granted vacation and sick leave in varying amounts. Vacation leave is only accrued as earned on the basis of services already performed by the employee, for the portion that is probable to be paid in the future. Sick pay is only accrued when it is probable that the employer will pay it upon termination or retirement. In the event of termination or retirement, an employee is reimbursed for accumulated vacation days up to two times their yearly vacation and, for sick days, up to a maximum of 90 days.

For governmental funds, the current portion of accumulated vacation and sick pay is reported as a liability in those funds, while the remaining portion is reported as a liability in the general long-term debt account group.

13. Interest Capitalization

Interest costs incurred by a proprietary fund for the acquisition and/or construction of capital assets are subject to capitalization. The interest capitalization period begins when the following conditions are present:

- a. Expenditures for the capital asset have been made.
- b. Activities that are necessary to get the capital asset ready for its intended use are in progress.
- c. Interest cost is being incurred.

The amount of interest cost to be capitalized is based on the weighted-average amount of accumulated expenditures for the period multiplied by the proprietary fund's interest rate for the obligation incurred specifically to finance the construction of the capital asset. During fiscal 2001, Proprietary Fund interest expense is net of \$ 462,450 of capitalized interest.

14. Amortization

Amortization is provided for bond discount and issue costs on a straight-line basis over the terms of the bonds, which range from one to forty years.

15. Amortization of Contributed Capital

Contributions of capital received prior to July 1, 2000 (the adoption of GASB No. 33) relating to construction of capital assets in the enterprise funds are being amortized over periods equal to the lives of assets acquired with the contributed capital, which range from 5 to 50 years.

16. Total Columns on Combined Statements - Overview

Total columns on the financial statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE B - CASH AND INVESTMENTS

All deposits are in various financial institutions and are carried at cost. Idle funds are invested in repurchase agreements (cash management accounts), which are collateralized by the bank. Transactions are made directly with the banks; services of brokers or securities dealers are not used.

The carrying amount and bank balance of the County's deposits with banks are categorized below to give an indication of the level of risk assumed by the County at June 30, 2001:

<u>Deposits</u>	Carrying Amount	Bank Balance
Insured by the FDIC or collateralized with securities held by the County or by its agent in the County's name	\$ 8,193,289	\$ 8,193,289
Collateralized with securities held by the pledging bank's trust department or agent in the County's name	41,375,316	43,749,420
Uninsured and uncollateralized	9,607	9,607
Repurchase Agreements		
Uninsured: Collateralized with securities held by bank in the County's name	9,628,519	9,628,519
TOTAL DEPOSITS AND TEMPORARY INVESTMENTS	\$ 59,206,731	\$ 61,580,835

The following provides a reconciliation between the amounts disclosed in the above footnote and the amounts presented in the combined balance sheet - all fund types and account groups.

Total deposits and temporary investments Petty cash	\$ 59,206,731 19,056
TOTAL CASH AND TEMPORARY INVESTMENTS PER COMBINED BALANCE SHEET	\$ 59,225,787

The County's long-term investments are categorized below to give an indication of risk assumed by the County at fiscal year-end. Investments not evidenced by securities are not categorized. Such investments include open-end mutual funds and external pooled investments. Pooled investments represent investments in which the County owns units of the pool rather than specific securities. As a result, such investments cannot be categorized as to credit risk.

NOTE B - CASH AND INVESTMENTS - CONTINUED

Investment balances held in each category are as follows at June 30, 2001:

	Fair Value	alue	
Insured or registered	\$ 4,965,376	;	
Securities not subject to classification of credit risk	14,539,068	<u>-</u>	
TOTAL LONG-TERM INVESTMENTS	\$ 19,504,444		

The following provides a reconciliation between the amounts disclosed in the above footnote and the amount presented in the combined balance sheet - all fund types and account groups.

Enterprise fund investments Pension trust investments	\$ 1,757,055 17,747,389
TOTAL LONG-TERM INVESTMENTS PER COMBINED BALANCE SHEET	\$ 19,504,444

Statutes authorize the County to invest in bonds or in other obligations of which the faith and credit of the United States of America are pledged, obligations of federal governmental agencies issued pursuant to Acts of Congress, repurchase agreements that are secured by any bond or other obligation for the payment of which the faith and credit of the United States are pledged, Fidelity Investments mutual funds, Delaware Local Government Retirement Investment Pool, and any bank or banks in the State of Delaware.

NOTE C - ACCOUNTS RECEIVABLE

The allowance for uncollectible receivables at June 30, 2001 is \$ 563,412 for taxes, \$ 7,832 for service and \$ 7,958 for assessment.

NOTE D - FIXED ASSETS

1. General Fixed Assets

Changes in the general fixed assets group of accounts during the year ended June 30, 2001 were as follows:

		Balance at June 30, 2000		Additions, net of Retirements		Balance at June 30, 2001	
Land	\$	3,936,000	\$	25,000	\$	3,961,000	
Buildings		9,620,396		133,882		9,754,278	
Improvements		7,428,311		59,522		7,487,833	
Machinery and equipment		6,991,973		1,784,004		8,775,977	
TOTAL	<u>\$</u>	27,976,680	\$	2,002,408	<u>\$</u>	29,979,088	

NOTE D - FIXED ASSETS - CONTINUED

2. Enterprise Fund Fixed Assets

A summary of proprietary fund type property, plant, and equipment follows:

Water Fund	Balance at June 30, 2000								Balance at June 30, 2001	
Land	\$	35,766	\$	-	\$	35,766

TOTAL	\$	164,926,536	\$	7,602,951	\$	172,529,487				

NOTE E - SUSSEX COUNTY EMPLOYEE PENSION PLAN

Plan Description and Provisions

The County established and administers a single-employer defined benefit pension plan for its employees. The Plan provides for retirement, disability and death benefits to plan members and their beneficiaries. Employees are not required to contribute to the plan. The pension plan is reported in the fiduciary fund in the County's financial statements. A covered employee is an employee who receives a regular salary or wages wholly, or in part, directly, or indirectly, from Sussex County provided, however, that an employee shall not be considered in covered employment if they are a part-time or seasonal employee who is not regularly employed for more than 120 working days in any one calendar year, per Ordinance No. 19, 6/10/75, No. 52, 12/16/80, No. 73, 9/22/81, No. 318, 11/12/85, No. 359, 3/25/86 and No. 1375, 6/6/00. Also covered are elected officials, Justices of the Peace, and Constables for time worked prior to March 31, 1965. Cost-of-living adjustments (COLA) are provided at the discretion of the County Council. The County has authority to establish and amend benefit provisions of the plan.

NOTE E - SUSSEX COUNTY EMPLOYEE PENSION PLAN - CONTINUED

Plan Description and Provisions - Continued

To be eligible for retirement benefits, a covered employee who shall have service with Sussex County in continuous employment for at least eight years shall be considered eligible for retirement benefits within the meaning of this Ordinance, except as otherwise provided. The age for normal retirement is 62 with eight years of service, 60 for early retirement with 15 years of service, or after 30 years of service regardless of age, for most employees. Effective June 6, 2000, the number of years of service for normal retirement is 25 for paramedic and emergency communication specialists. For the year ended June 30, 2001 total payroll was \$ 12,005,185. Covered payroll refers to all compensation by the County to active employees covered by the plan. Current membership in the plan (as of January 1, 2001) is as follows:

	Nonvested			Terminated		Covered
Vested Actives	Actives	Total Actives	Retirees	Vested	_	Payroll
200	186	386	85	52	\$	10,835,061

Annual Pension Cost and Net Pension Obligation

The County's annual pension cost and net pension obligation for the current year were as follows:

Annual required contribution	\$ 752,825
Interest on net pension obligation	(78,134)
Adjustment to annual required contribution	 129,434
Annual Pension Cost	804,125
Contributions made	 (1,440,572)
Decrease in Net Pension Obligation	 (636,447)
Net Pension Obligation (Asset), Beginning of Year	 (976,676)
Net Pension Obligation (Asset), End of Year	\$ (1,613,123)

The County's annual contribution to the pension trust is determined through the budgetary process and with reference to actuarial determined contributions. Contributions made were 13.3 percent of covered payroll. The contribution is designed to accumulate sufficient assets to pay benefits when due. The actuarial valuation of the plan as of January 1, 2001 was determined using the projected unit credit actuarial cost method. This measure is independent of the funding method used to determine contributions to the system. The actuarial assumptions include:

- A rate of return on the investment of present and future assets of 8.0 percent per year compounded annually.
- Projected salary increases of 5.0 percent per year compounded annually.
- The assumption that benefits will increase 2.0 percent annually after retirement for cost of living increases.
- Inflation of 4.0 percent per year underlying the salary scale and interest rates.
- Five year phase-in of asset gains and losses is used to value assets. Prior to fiscal year 2001, the current market value of assets was used for the valuation.

NOTE E - SUSSEX COUNTY EMPLOYEE PENSION PLAN - CONTINUED

Annual Pension Cost and Net Pension Obligation - Continued

The level dollar closed method is used to amortize the Annual Required Contribution and an adjustment to the Annual Required Contribution. The remaining amortization period is 15 years. Employer contributions are recognized in the period in which contributions are made. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Administrative costs are financed through investment earnings.

Trend information is as follows:

Year Ended June 30,	 ual Pension ost (APC)	Percentage of APC Contributed	Net Pension Obligation		
1999	\$ 772,756	114.1%	\$	157,746	
2000	811,717	239.8		(976,676)	
2001	804,125	179.1		(1,613,123)	

The plan was funded with contributions as follows:

Fiscal Year	Fiscal Year Amount		Year Amount Fiscal Year		Amount	
1976	\$	75,000	1992	\$	463,552	
1982		50,000	1993		890,882	
1983		150,000	1994		950,736	
1984		80,995	1995		1,040,285	
1985		100,000	1996		1,175,078	
1986		234,000	1997		1,157,975	
1987		419,532	1998		896,732	
1988	•	484,224	1999		881,820	
1989		182,262	2000		1,946,139	
1990		342,739	2001		1,440,572	
1991		355,582				

Pension Trust Assets

The pension trust funds are invested in U.S. Treasury Notes, U.S. Government Agency Notes and Bonds, Sussex County Second Lien Revenue Bonds, the Delaware Local Government Retirement Investment Pool (DELRIP), Wilmington Trust Company (WTC) mutual funds, and Fidelity Investments mutual funds. Wilmington Trust Company is the trustee of the Plan. DELRIP was established to allow local governments the option to pool their pension assets with the Delaware Public Employees' Retirement System (DPERS). DELRIP is in the custody of the Delaware Board of Pension Trustees and is subject to oversight of the DPERS' Investment Committee and not of the Securities and Exchange Commission (SEC). The WTC mutual funds are in the custody of the Wilmington Trust Company. The DELRIP investments are stated at fair value, which is the same as the value of the DPERS' Master Trust shares. Further details of the DELRIP investments are disclosed in the DPERS 30th Comprehensive Annual Financial Report, which may be obtained by calling 1-800-722-7300.

NOTE E - SUSSEX COUNTY EMPLOYEE PENSION PLAN - CONTINUED

Investments at fair value in excess of 5% of the Plan's net assets held in trust for pension benefits at June 30, 2001 consist of:

	Fair Value			
Delaware Local Retirement Investment Pool	\$	7,536,717		
Fidelity Investments		2,018,268		
Wilmington Trust Company mutual funds		4,983,083		
TOTAL	\$	14,539,068		

NOTE F - DEFERRED COMPENSATION PLAN

The County offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all County employees, permits them to defer a portion of their salary until future years. Participation in the plan is optional and participants elect how their salary deferrals are invested. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. The County is not matching employee contributions. Under custodial agreements, the custodians hold all assets and income in trust for the exclusive benefit of participants and their beneficiaries.

NOTE G - INTERIM FINANCING

Notes Payable - Enterprise Funds

Short-term financing is obtained from banks to provide working capital for the Enterprise Funds. At June 30, 2001 short-term notes payable for the Enterprise Funds were \$ 1,589,949, with an interest rate of 4.32%. The County had \$ 23,410,052 of unused line of credit to be drawn upon as needed.

Bond Anticipation Notes - Enterprise Funds

The County issued \$ 16,900,000 of bond anticipation notes, Series 1999, with a 4.5% coupon rate at a price of \$ 100.537. The proceeds were used for interim funding of various sewer and wastewater expansions and improvements, in anticipation of the issuance of bonds to repay the notes. These bonds were repaid June 15, 2001.

NOTE H - LONG-TERM OBLIGATIONS

General Long-Term Debt Group

The general long-term bonded debt at June 30, 2000 of \$ 3,494,353 that consisted of the 1993 general obligation refunding bonds; due in various installments through October 14, 2020; with interest ranging from 4.9% to 5.7%; was defeased during the fiscal year. There was no general long-term bonded debt at June 30, 2001.

General Long-Term Debt Group - Continued

The annual changes to general long-term debt for compensated absences, contracts payable and accrued landfill postclosure care as of June 30, 2001 are as follows:

	June 30, 2000		<u> </u>	et Change	June 30, 2001		
Compensated absences Contracts payable Accrued landfill postclosure	\$	1,619,874 1,028,972	\$	205,203 (972,922)	\$	1,825,077 56,050	
care		2,418,000		(47,000)		2,371,000	
TOTAL	\$	5,066,846	\$	(814,719)	\$	4,252,127	

Enterprise Fund Long-Term Debt

The following is a summary of bond transactions of the County for the year ended June 30, 2001:

	Balance at							Balance at
	J	une 30, 2000	Additions		Reductions		June 30, 2001	
Series 1992	\$	1,291,005	\$	-	\$	(15,001)	\$	1,276,004
Series 1993		44,195,647		-		(2,160,647)		42,035,000
Series 1994		9,718,037		-		(121,051)		9,596,986
Series 1995		20,670,000		-		(430,001)		20,240,000
Series 1995A		3,534,470		-		(43,367)		3,491,103
Series 1995B		6,453,512		-		(78,116)		6,375,396
Series 1995C		5,883,626		-		(70,246)		5,813,380

Deferred amount on refunding is the difference between the reacquisition price and the net carrying amount of the refunded debt, net of amortization. This difference is reported in the accompanying financial statements as a deduction from bonds payable. Amortization of deferred amount on refunding charged to interest expense totaled \$ 445,010 and \$ 465,011 for fiscal year 2001 and 2000, respectively.

Enterprise Fund Long-Term Debt - Continued

The Enterprise Fund long-term debt as of June 30, 2001 is comprised of the following:

1992 sewer system construction, due in quarterly installments through December 22, 2032; interest at 5.5%.	\$	1,276,004
1993 general obligation refunding bonds, due in various installments through October 15, 2020; interest ranging from 4.9% to 5.7%.		42,035,000
1994 wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through December 20, 2034, interest at 4.5%.		9,596,986
1995 wastewater revenue bonds (West Rehoboth expansion sewer system), due in various installments through June 15, 2025, interest ranging from 4.45% to 5.5%.		20,240,000
1995A wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through March 9, 2035, interest at 4.5%.		3,491,103
1995B wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through June 27, 2035, interest at 4.5%.		6,375,396
1995C wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through September 26, 2035, interest at 4.5%.		5,813,380
1995D wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through December 22, 2035, interest at 4.5%.		2,915,684
1996 wastewater general obligation bonds (Ocean Way Estates expansion sewe system), due in quarterly installments of \$ 6,256 principal and interest, interest at 4.5%, final payment due October 17, 2036.	r st	442,067
1997 wastewater general obligation bonds (West Rehoboth expansion sewer system), due in various installments through June 15, 2021, interest at 1.5%. Total bonds authorized are \$ 12,000,000		10,180,525
2000 wastewater general obligation bonds (Ocean View, Holts Landing, Cedar Neck, North Millville and SCRWF projects), due in semi-annual installments interest at 1.5%, final payment due September 2022. Total bonds authorized are \$ 13,752,100.	,	4,647,570

Enterprise Fund Long-Term Debt - Continued

2000 wastewater general obligation bonds (Ellendale Sanitary Sewer District), due in semi-annual installments, interest at 1.5%, final payment due August 2023. Total bonds authorized are \$ 1,726,000.	\$	58,859
2001 wastewater general obligation bonds (West Rehoboth expansion sewer system), due in quarterly installments of \$ 135,087 principal and interest,	•	30,035
interest at 4.5%, final payment due June 1, 2041.		9,999,000
Subtotal		117,071,574
Deferred amount on refunding, net of amortization		(4,471,735)
ENTERPRISE FUND BONDS PAYABLE	\$	112,599,839

Debt service for the 1995 wastewater revenue bonds will be paid from user fee revenue generated by the West Rehoboth expansion sewer system.

The annual requirement to repay bonded debt is as follows:

Year ending June 30,	Principal	Interest	Total		
2002	\$ 3,646,814	\$ 5,320,826	\$ 8,967,640		
2003	3,885,457	5,190,782	9,076,239		
2004	4,157,469	5,013,571	9,171,040		
2005	4,222,717	4,827,583	9,050,300		
2006	4,414,252	4,632,190	9,046,442		
Thereafter	96,744,865	55,613,805	152,358,670		
TOTAL	\$ 117,071,574	\$ 80,598,757	\$ 197,670,331		

Loan Payable

The outstanding principal balance of the revenue loan payable is \$14,048,385 at June 30, 2001.

Pursuant to Chapter 80, Title 29 of the Delaware Code, as amended, the Delaware General Assembly empowered the Secretary of the Department of Natural Resources and Environmental Control (the Department) to establish and administer a permanent and perpetual fund known as the "Delaware Water Pollution Control Revolving Fund" (the Revolving Fund). From the Revolving Fund, the Department, from time to time, makes loans to and acquires obligations of local governments in Delaware to finance the costs of wastewater treatment facilities within the meaning of Section 8003 of the Act.

The County requested loans from the Revolving Fund (the SRF loans) and evidenced its obligation to repay the loans by signing a Finance Agreement and by the delivery of its Series 1994 SRF Subordinate Obligations. The County used the loan proceeds from the SRF loans to finance the portion of the West Rehoboth Phase I and II project costs not paid from other sources.

Loan Payable - Continued

The Department agreed to loan up to \$ 17 million (plus interest during construction) payable over 21 years commencing at the completion of the project, December 1995. Advances were credited to the Series A Obligation of \$ 13 million, bearing interest at 1.5%, and to the Series B Obligation up to the remaining \$ 4 million bearing interest at 1.5%. These amounts were disbursed by the Department upon requisition by the County to reimburse costs of the project previously paid by the County.

Repayment of the SRF loans is to be made out of gross revenues of the West Rehoboth Expansion of the Dewey Beach Sanitary Sewer District but on a subordinate basis as follows:

First 13 years:

- Operations and management expenses
- 1994 Series Bonds (\$ 19 million)
- Rural Development Administration loan
- Other project borrowings
- SRF loans

Last 7 years:

Equal installments based on the remaining outstanding principal balance plus accrued interest

Assuming gross revenues are available to repay the SRF loan in the first 13 years, the estimated repayments on the SRF loan are as follows:

Year ending June 30,	Principal		 Interest	Total		
2002	\$	811,814	\$ 210,726	\$	1,022,540	
2003		823,991	198,548		1,022,539	
2004		836,351	186,188		1,022,539	
2005		848,897	173,644		1,022,541	
2006		861,630	160,910		1,022,540	
Thereafter		9,865,702	 869,079		10,734,781	
TOTAL	\$	14,048,385	\$ 1,799,095	<u>\$</u>	15,847,480	

Contract Commitments

The County has obligated itself under contracts for various projects. At June 30, 2001, the obligated unpaid amount was approximately \$7,541,572. The County's payment of these contracts will be contingent upon the contractors' satisfactory performance.

Lease Commitments

The County leases various equipment under several lease agreements with varying maturities. For presentation purposes, the outstanding lease payments are included in the contractual commitments liability in the general long-term debt account group.

NOTE I - DEFEASANCE OF DEBT

During the year ended June 30, 2001 the County defeased \$3,105,000 of the general obligation bonds of 1993 by placing assets in an irrevocable trust with an escrow agent to provide for future debt service payments on the bonds. The liability for those bonds was removed from the general long-term debt group.

In prior years, the County has defeased the general obligation bonds of 1975, 1983, and the 1994 Wastewater Revenue bonds from the enterprise funds by placing the proceeds of the new debt in irrevocable trust funds to provide for future debt service payments on the old bonds. Accordingly, the trust account assets and the liabilities for the defeased bonds are not included in the County's financial statements. At June 30, 2001, the amount of defeased debt outstanding but removed amounted to \$25,885,000.

NOTE J - RETAINED EARNINGS

The Long Neck Sewer Fund has a deficit retained earnings balance. The deficit is the result of user charges revenue being insufficient to recover all costs of operations, primarily depreciation expense.

NOTE K - INTERFUND RECEIVABLES AND PAYABLES

Interfund receivable and payable balances as of June 30, 2001 are as follows:

	Due From Other Funds	D	Due to Other Funds		
General fund	\$ 3,705,322	\$	230,723		
Capital projects fund	44,410		-		
Enterprise funds:

West Rehoboth Sewer	2,000,000	-
Pension trust fund		385,455
TOTAL	\$ 5,077,936	\$ 5,077,936

NOTE M - RESERVATIONS OF FUND BALANCES

Reservations of fund balances in the general fund and fiduciary fund indicate portions of fund balances that are not available for appropriation or expenditure, or are legally separated for a specific future use. Reservations of fund balances are as follows:

	General Fund		Pe	ension Trust	Capital Projects Fund		
Encumbrances		8,978,202	\$	-	\$	121,097	
Inventories and prepaid							
expenses		59,503		-		-	
Non-current assets		4,421,052		-		-	
911 Funds		546,006		•		-	
Realty transfer tax		4,699,424		<u>-</u>		-	
Employees' pension benefits (A							
schedule of funding progres	S						
is presented on page 32.)		-		18,005,853			
TOTAL	\$	18,704,187	\$	18,005,853	<u>\$</u>	121,097	

NOTE N - CONTRIBUTED CAPITAL

During the year, contributed capital increased (decreased) by the following amounts:

	Enterprise Fund		
Intergovernmental - residual equity transfer	\$	747,315	
Current year amortization of contributed capital from capital grants		(1,300,651)	
Net Decrease	-	(553,336)	
Contributed capital, July 1, 2000		44,518,169	
Contributed capital, June 30, 2001	\$	43,964,833	

NOTE O - POST EMPLOYMENT BENEFITS

In addition to the pension benefits described in Note E, the County provides post retirement health care benefits to all Sussex County pensioners who receive a County pension immediately after they leave County employment. Currently, 87 retirees meet these eligibility requirements. Expenditures for post retirement health care benefits are recognized as retirees report claims. During the year, expenditures of \$ 310,416 were recognized in the general fund for post retirement health care. Retirees do not make contributions for these benefits.

NOTE P - RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; omissions; injuries to employees; and natural disasters for which the County carries commercial insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

Employee Health Plan

The County is exposed to the risk of loss related to employee medical expenses. During fiscal year 2001, the County maintained a self-insured plan for employee medical expenses in which expenses per employee were covered annually up to \$35,000, increasing to \$50,000 effective May 1, 2001. Individual excess expenses are covered under a commercial policy. In addition, the County has a maximum aggregate limit of \$3,800,000 for the County's portion of medical expense liability, which is covered under a commercial policy. The employee health plan is administered by an outside agency.

Contributions from the County and employee withholdings are deposited into a reserve fund to pay prior - and current-year claims. Estimated risks and losses are based upon historical costs, financial analyses and estimated effects of plan changes. The claims liability reported at June 30, 2001 is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. These liabilities include an amount for claims that have been incurred but not reported. Changes in the employee health claims liability amounts in fiscal year 2001 and 2000 were:

	Balance at Beginning of Year		Current-Year Claims and Changes in Estimates		Claims Payments		Balance at End of Year	
1999 - 2000 2000 - 2001	\$	237,459 387,175	\$	2,180,002 2,561,815	\$	(2,030,276) (2,425,055)	\$	387,175 523,935

NOTE Q - SEGMENT INFORMATION FOR ENTERPRISE FUNDS

The County maintains fifteen Enterprise Funds that provide sewerage and water services. Segment information applicable to these funds as of and for the year ended June 30, 2001 was as follows:

	Dewey Water	<u></u>	Dewey Sewer	Ве	thany Sewer	So	outh Bethany Sewer

NOTE R - LANDFILL POSTCLOSURE CARE COST

State and federal laws and regulations required the County to place a final cover on its six landfill sites when it stopped accepting waste and to perform certain maintenance and monitoring functions at these sites for 30 years after their closure.

The landfill postclosure care liability of \$2,371,000 at June 30, 2001 represented the cumulative amount reported to date based on the use of 100 percent of the estimated capacity of the landfill. This amount is based on what it would cost to perform all postclosure care in 2001. Actual cost may be higher because of inflation, changes in technology, or changes in regulations.

NOTE S - RENT REVENUES

The County has entered into several long-term operating leases with local businesses to rent property, mainly located in the County's Industrial Park and Airport. These leases range in terms of one year to forty-five years and several of them are noncancellable. The minimum future rental revenue under leases as of June 30, 2001 for each of the next five years and in the aggregate are:

Year ending June 30,	 Amount
2002	\$ 159,366
2003	151,501
2004	144,151
2005	144,111
2006	123,175
Thereafter	 1,038,681
TOTAL	\$ 1,760,985

NOTE T - MORTGAGE RECEIVABLE

The mortgage receivable from the Patrick Family Foundation, Inc at June 30, 2001 of \$ 400,000; bears interest of 3%, payable semi-annually; and is due on September 29, 2005. The proceeds were used to finance a portion of the costs of a new airplane hangar and the acquisition of related equipment at the County's airport.

NOTE U - CONTINGENCIES

The County is currently involved in a number of lawsuits involving construction projects, zoning ordinances, and other civil lawsuits. The amount of any contingent liability related to these suits either cannot be estimated or the outcome is uncertain.

The County has authorized the issuance of revenue bonds to provide funds for various commercial, industrial and agricultural development projects. In the opinion of bond counsel, the bonds are not subject to the debt limit imposed on the County by the Delaware Code, and are payable solely from payments made by the borrowing entities. Accordingly, these bonds are not reflected in the accompanying financial statements.

COUNTY OF SUSSEX, DELAWARE NOTES TO COMBINED FINANCIAL STATEMENTS - CONTINUED JUNE 30, 2001

NOTE V - SUBSEQUENT EVENTS

Bond Proceeds

Subsequent to June 30, 2001, the County received additional State Revolving Fund loans, totaling \$6,963,028 to be used for various sewer construction and improvement projects.

Major Capital Contracts

The County has approved the award of contracts totaling \$ 7,050,393 for the Cedar Neck sewer project, the SCRWF expansion sewer project, the Ellendale sewer project and the airport terminal building, subsequent to year end.

Oak Orchard Bonds Authorized

The Delaware Department of National Resources and Environmental Control (DNREC) has approved Series 2001 general obligation bonds of \$ 1,500,000 from the State Revolving Funds (SRF) to finance construction of the Oak Orchard Sanitary Sewer District. No funds were received through December 19, 2001. The bonds are subject to 2% interest and the final payment will be due no later than December 31, 2024.

Current Refinancing

Series 2001 general obligation bonds of \$ 10,025,000 dated December 1, 2001 were issued subsequent to year end. The proceeds of the sale of the bonds, together with other County funds, after payment of the costs of issuance, will be used to currently refund certain maturities of the 1993 general obligation refunding bonds maturing October 15, 2002 to October 15, 2005.

NOTE W - RECENT GASB PRONOUNCEMENTS

A recently issued accounting standard that has not been implemented by the County is as follows:

Governmental Accounting Standard Board (GASB) Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments, establishes new financial reporting requirements for all state and local governments. When implemented, it will create new information and will restructure much of the information that governments have presented in the past. The County plans to implement the new reporting standard on July 1, 2002.

NOTE X - PRIOR PERIOD ADJUSTMENTS

During fiscal year 2001, the County implemented GASB Statement No. 33, Accounting and Financial Reporting for Nonexchange Transactions, which primarily affected the accounting treatment for the receipt and disbursement of certain grant funds and contributed capital. The effect of this change was to: (a) decrease the general fund's excess of revenues and other financing sources over expenditures and other financing uses for the year ended June 30, 2001 by \$ 100,029 and (b) increase the enterprise fund's net income for the year ended June 30, 2001 by \$ 6,590,841. A prior period adjustment to increase the fund balance of the general fund at the beginning of fiscal year 2001 by \$ 156,105 was recorded. Prior year memorandum totals were retroactively restated for the effects of GASB 33.

APPENDIX B FORM OF OPINION OF BOND COUNSEL

[Form of Opinion of Bond Counsel]

[Date of Closing]

Sussex County, Delaware Administrative Office Building 2 The Circle Georgetown, Delaware 19947

Re: Sussex County, Delaware

Sussex County, Delaware
General Obligation Bonds
Series 2003

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance of [\$_____] General Obligation Bonds, Series 2003, dated January 15, 2003 (the "Bonds") by Sussex County, a County of the State of Delaware (the "County").

The Bonds are issued in fully registered form, in denominations of \$5,000, or integral multiples thereof. The Bonds are issued pursuant to Chapter 70, Title 9, Delaware Code, as amended, Ordinance No. 1568 adopted by the Sussex County Council (the "Council") on November 12, 2002 (the "Ordinance") and a Resolution of the County Administrator dated January 22, 2003 (the "Resolution") for the purpose of (i) refunding certain outstanding maturities of the Sussex County, Delaware General Obligation Refunding Bonds, Series 1993; (ii) refunding certain of the Sussex County, Delaware General Obligation Bonds owned by the United States Department of Agriculture, Rural Utilities Service; and (iii) paying the costs of issuance of the Bonds.

As bond counsel, we have examined a certified copy of the Ordinance, the Resolution and the form of Bonds. In addition, we have examined originals (or copies certified or otherwise identified to our satisfaction) of such other instruments, certificates and documents and have reviewed such questions of law as we have deemed necessary or appropriate for the purposes of the opinions rendered below. In such examination we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies.

We have relied on a certificate of the County as to the due execution and delivery of, and payment for, the Bonds. As to any facts material to our opinion we have, when such facts were not independently established, relied upon the aforesaid instruments, certificates and documents including the County's Tax Certificate as to Arbitrage and Instructions as to Compliance with the

Provisions of Section 103(a) of the Internal Revenue Code of 1986, dated the date of issuance of the Bonds and the statement of reasonable expectations of future events set forth in such certificate.

No opinion is expressed herein regarding the accuracy, completeness, sufficiency or fairness of the information set forth in the Official Statement or other offering documents of the County delivered to purchasers of the Bonds and we take no responsibility therefor.

Based on the foregoing, we are of the opinion as of the date hereof and under existing law that:

- 1. The County is a political subdivision and county of the State of Delaware, and it has the power and authority within all applicable constitutional and legal limitations to issue the Bonds.
- 2. The Bonds have been duly authorized, executed and delivered and constitute legal, valid and binding obligations of the County, enforceable in accordance with their terms, except as enforcement of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and except as enforcement may also be subject to the exercise of judicial discretion in accordance with general principles of equity in appropriate cases.
- 3. The County has pledged its full faith and credit for the payment of the principal of and interest on the Bonds, and unless paid from other sources, the County is authorized to levy on all real property taxable by the County such ad valorem taxes as may be necessary to pay the principal of and interest on the Bonds without limitation as to rate or amount except that whenever a total reassessment of taxable properties within the boundaries of the County becomes effective, the County property tax rate levied for the immediately ensuing fiscal year shall not be such as to yield property tax revenues greater than 15% in excess of the total of the property taxes imposed for the fiscal year immediately preceding the fiscal year in which such reassessment shall have become effective as provided in 9 Del.C. §8002(c).
- 4. The interest on the Bonds is excluded from gross income for Federal income tax purposes and is not an item of tax preference for purposes of the Federal alternative minimum tax imposed on individuals and corporations. However, interest on the Bonds is included in the relevant income computations for calculation of the corporate alternative minimum tax and the corporate environmental tax. The opinions set forth in the first sentence of this paragraph are subject to the condition that the County comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for Federal income tax purposes. The County has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for Federal income tax purposes, retroactive to the date of issuance of the Bonds. We express no opinion regarding other Federal tax consequences arising with respect to the Bonds.

5. So long as the interest on the Bonds is excluded from gross income for Federal income tax purposes, it will also be excluded from taxable income for the purposes of personal and corporate income taxes imposed by The State of Delaware.

Very truly yours,

APPENDIX C

FORM OF CONTINUING DISCLOSURE AGREEMENT

\$ SUSSEX COUNTY, DELAWARE \$ GENERAL OBLIGATION BONDS SERIES 2003

CONTINUING DISCLOSURE AGREEMENT

SECTION 1. <u>Purpose of the Disclosure Agreement</u>. This Disclosure Agreement is being executed and delivered by the County for the benefit of the bondholders from time to time of the Bonds and in order to assist the Participating Underwriter in complying with SEC Rule 15c2-12(b)(5).

SECTION 2. <u>Definitions</u>. The following capitalized terms shall have the following meanings:

"Additional Bonds" shall mean any indebtedness of the County issued subsequent to the Bonds which the County has declared in writing to be covered by this Disclosure Agreement.

"Annual Report" shall mean any Annual Report provided by the County pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

"County" shall mean Sussex County, Delaware.

"Dissemination Agent" shall mean any agent of the County designated in writing by the County which has filed with the County a written acceptance of such designation.

"Holder" shall mean any registered holder of Bonds, provided however that with respect to any Bond registered in a "street name" or the name of a nominee such as The Depository Trust Company, the term "holder" shall mean any person which produces reasonable documentary evidence that it is a beneficial owner of a Bond.

"Listed Events" shall mean any of the events listed in Section 5(a) of this Disclosure Agreement.

"MSRB" shall mean the Municipal Securities Rulemaking Board, or any successor organization. The current address of the MSRB is:

MUNICIPAL SECURITIES RULEMAKING BOARD CDINet 1900 Duke Street, Suite 600 Alexandria, VA 22314 (703) 797-6600 (phone) (703) 683-1930 (fax) "National Repository" shall mean any Nationally Recognized Municipal Securities Information Repository for purposes of the Rule. Currently, the following are National Repositories:

Bloomberg Municipal Repository

100 Business Park Drive Skillman, New Jersey 08558 Telephone: (609) 279-3225 Telefax: (609) 279-5962

Email: Munis@Bloomberg.com

Standard & Poor's J.J. Kenny

Repository

55 Water Street, 45th Floor New York, NY 10041

Telephone: (212) 438-4595 Telefax: (212) 438-3975

Email: <u>nrmsir repository@sandp.com</u>

FT Interactive Data Attn: NRMSIR 100 William Street New York, NY 10038 Telephone: (212) 771-6999

Telefax: (212) 771-7390 (Secondary Market) Telefax: (212) 771-7391 (Primary Market)

Email: NRMSIR@FTID.com

DPC Data, Inc.
One Executive Drive

Fort Lee, New Jersey 07024 Telephone: (201) 346-0701 Telefax: (201) 947-0107 Email: nrmsir@dpcdata.com

"Obligated Person" shall have the meaning set forth in the Rule, provided that the sole objective criteria used to select the Obligated Person shall be the entity obligated to repay all debt service with respect to the relevant Bonds. The County has determined that the County is the only Obligated Person with respect to the Bonds.

"Official Statement" shall mean the final Official Statement dated January 22, 2003 relating to the Bonds.

"Participating Underwriter" shall mean any of the original underwriters of any Bonds required to comply with the Rule in connection with the offering of such Bonds.

"Repository" shall mean each National Repository and each State Repository.

"Rule" shall mean Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time, any successor provisions of similar import promulgated by the Securities and Exchange Commission in the future, and any applicable no-action letters and other authoritative interpretations of Rule 15c2-12 released by the Securities and Exchange Commission.

"State" shall mean the State of Delaware.

"State Repository" shall mean any public or private repository or entity designated by the State of Delaware as a state repository for the purpose of the Rule. As of the date of this Agreement, there is no State Repository.

"Tax-exempt" shall mean that interest on the Bonds is excluded from gross income for federal income tax purposes, whether or not such interest is includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating any other tax liability, including any alternative minimum tax or environmental tax.

SECTION 3. Provision of Annual Reports.

- (a) The County shall, or shall cause the Dissemination Agent to, not later than the 1st day of the ninth calendar month immediately following the end of the County's fiscal year, provide to each Repository an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement. Not later than fifteen (15) Business Days prior to said date, the County shall provide the Annual Report to the Dissemination Agent, if any. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; provided, however, that audited financial statements of the County may be submitted separately from the balance of the Annual Report.
- (b) If the County is unable to provide the Annual Report to Repositories by the date required in subsection (a), the County shall send a notice to each Repository (or to the MSRB and to each State Repository) in substantially the form attached as Exhibit A.
- (c) The Dissemination Agent, if any, shall (i) determine each year prior to the date for providing the Annual Report, the name and address of each National Repository and each State Repository, if any; and (ii) file a report with the County certifying that the Annual Report has been filed pursuant to this Disclosure Agreement, stating the date it was provided and listing all the Repositories to which it was provided.
- (d) Audited financial statements of the County not submitted as part of the Annual Report shall be provided to each Repository, if and when available to the County, and in any event not more than thirty (30) days after receipt thereof from the County's auditors. In the event that audited financial statements are not submitted as part of the Annual Report, the County shall provide in lieu thereof unaudited financial statements meeting the description set forth in Exhibit B.
- (e) The County shall promptly provide written notice of any change in its fiscal year to the MSRB and to each Repository.

SECTION 4. Content of Annual Reports

- (a) The County's Annual Report shall contain or incorporate by reference the information listed in Exhibit B with respect to the relevant fiscal year.
- (b) Any or all of the information required may be incorporated by reference from other documents, including official statements of debt issues of the County or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The County shall clearly identify each such other document so incorporated by reference.
- (c) If any information described in Section 4(a) above can no longer be generated because the operations to which such information relates have been materially changed or discontinued, a statement to that effect shall satisfy the obligations of the County under this Section 4, provided however

that the County shall, to the greatest extent feasible, provide in lieu thereof similar information with respect to any substitute or replacement operations.

SECTION 5. Reporting of Significant Events.

- (a) Pursuant to the provisions of this Section 5, the County shall give or cause to be given notice of the occurrence of any of the following events, if material, with respect to the Bonds (each, a "Listed Event"):
 - 1. Principal and interest payment delinquencies;
 - 2. Non payment-related defaults;
 - 3. Unscheduled draws on debt service reserves reflecting financial difficulties;
 - 4. Unscheduled draws on credit enhancements reflecting financial difficulties;
 - 5. Substitution of credit or liquidity providers, or their failure to perform;
 - 6. Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
 - 7. Modifications to rights of Bondholders;
 - 8. Bond calls (other than mandatory sinking fund redemption);
 - 9. Defeasance of Bonds;
 - 10. Release, substitution, or sale of property securing repayment of any Bonds; or
 - 11. Credit rating changes.
- (b) Whenever the County obtains knowledge of the occurrence of a Listed Event, the County shall determine if such event would constitute material information for Holders of Bonds, in accordance with the applicable "materiality" standard under then-current securities laws.

If the occurrence of a Listed Event would be material to Holders of Bonds in accordance with the applicable "materiality" standard under then-current securities laws, the County shall in a timely manner file, or cause the Dissemination Agent to file, a notice of such occurrence with the MSRB and each State Repository (if any).

SECTION 6. Accounting. Standards. The financial statements described in Section 4(a)(i) above shall be audited by either a certified public accountant or an independent public accountant and shall be prepared in accordance with both (a) generally accepted accounting principles applicable in the preparation of financial statements of municipalities and other public entities as such principles are from time to time promulgated by the Financial Accounting Standards Board, the Governmental Accounting Standards Board, or such other body recognized as authoritative by the American Institute of Certified Public Accountants or any successor body ("GAAP"), and (b) applicable federal and state auditing statutes and regulations; provided, however, that the County may from time to time modify its accounting principles to the extent necessary or desirable to comply with changes in either GAAP or applicable federal and state statutes, regulations, standards and/or guidelines. Any such modification of accounting standards to conform to changes in either GAAP or applicable federal or state auditing statutes, regulations, standards or guidelines shall not constitute an amendment to this Disclosure Agreement within the meaning of Section 9 hereof; however, such modifications shall be disclosed in the first Annual Report to be provided subsequent to such modifications as described in Section 9(b).

SECTION 7. <u>Termination of Reporting Obligation</u>. The County's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination shall occur prior to the final stated maturity of the Bonds, the County shall give notice thereof in the same manner as for a material Listed Event pursuant to Section 5 above.

SECTION 8. <u>Dissemination Agent</u>. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such agent, with or without appointing a successor Dissemination Agent.

SECTION 9. Amendments.

- (a) Notwithstanding any other provision of this Disclosure Agreement, the County may modify or amend this Disclosure Agreement only if such amendment is supported by an opinion of counsel with expertise in federal securities law to the effect that such amendment is permitted or required by the Rule.
- (b) The County shall report any modification or amendment of this Disclosure Agreement as required by the Rule. The County shall include as a component of the first Annual Report to be provided subsequent to the relevant amendment, a copy of the amendment, together with a notice explaining in narrative form both (i) the reasons for the amendment, and (ii) the impact of the change in the type of operating data or financial information being provided. To the extent required by the Rule, if the amendment relates to changes in accounting principles to be followed in preparing financial statements, the first Annual Report to be provided subsequent to the relevant amendment shall also include a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles and a qualitative (and to the extent reasonably feasible, quantitative) discussion of the differences in the accounting principles and the impact of the change in the accounting principles upon the presentation of the financial information. Written notice of any such change in accounting principles shall be provided in a timely fashion to each Depository.

SECTION 10. <u>Additional Information</u>. Nothing in this Disclosure Agreement shall be deemed to prevent the County from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including disclaimers or any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the County chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the County shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 11. <u>Default</u>. In the event of a failure of the County to comply with any provisions of this Disclosure Agreement, any Participating Underwriter or any bondholder may take such actions as may be necessary and appropriate, including seeking a writ of mandamus or specific performance by court order to cause the County to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default on the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the County to comply with this Disclosure Agreement shall be an action to compel performance; provided however that nothing herein shall limit any bondholder's rights under applicable federal securities law.

SECTION 12. <u>Severability</u>. In case any section or provision of this Disclosure Agreement or any covenant, stipulation, obligation, agreement, or action, or any part thereof, made, assumed, entered into or taken under this Disclosure Agreement, or any application thereof, is for any reason held to be illegal or invalid or is at any time inoperable, such illegality, invalidity or inoperability shall not affect the remainder thereof or any other section or provision of the Disclosure Agreement, or any other covenant, stipulation, obligation, agreement, act or action, or part thereof, made, assumed, entered into or taken

under this Disclosure Agreement, which shall at the time be construed and enforced as if such illegal or invalid or inoperable portion were not contained therein.

SECTION 13. <u>Entire Agreement</u>. This Disclosure Agreement contains the entire agreement of the County with respect to the subject matter hereof and supersedes all prior arrangements and understandings with respect thereto.

SECTION 14. <u>Captions</u>. The captions or headings herein shall be solely for convenience of reference and shall in no way define, limit or describe the scope or intent of any provisions or sections hereof.

SECTION 15. <u>Beneficiaries</u>. This Disclosure Agreement is being entered into solely for the benefit of the Participating Underwriter and Holders from time to time of the Bonds, and nothing in this Disclosure Agreement expressed or implied is intended to or shall be construed to give to any other person or entity any legal or equitable right, remedy or claim under or in respect to this Disclosure Agreement or any covenants, conditions or provisions contained herein.

SECTION 16. Governing Law. This Disclosure Agreement shall be deemed to be a contract made under the laws of the State of Delaware, and all provisions hereof shall be governed and construed in accordance with the laws of the State of Delaware, without reference to the choice of law principles thereof; provided however that this Disclosure Agreement shall be interpreted and construed with reference to and in pari materia with the Rule.
